2023 Schedule M1ED Instructions

Am I eligible?

You may be eligible for this credit if you paid education-related expenses for a qualifying child in grades Kindergarten through 12 (K-12).

What is a qualifying child?

For this credit, a qualifying child must:

- Be your child, descendent, sibling, niece, or nephew
- Be enrolled in a grade K-12
- · Have lived with you more than half the year
- Not be claimed as a qualifying child by any other person

What are education-related expenses?

Education-related expenses include the purchase of required educational material for use during the regular school day, fees for after-school enrichment programs, and tutoring by a qualified instructor. See Income Tax Fact Sheet 8, K-12 Education Subtraction and Credit. For more information about qualifying expenses go to www.revenue.state.mn.us and enter qualifying expenses into the Search box.

If you cannot use expenses for this credit, you may be able to use them for the K-12 Education Subtraction. For details, see the instructions for line 13 of Schedule M1M, *Income Additions and Subtractions*.

Do I need proof?

Yes. Save a detailed record of your payments — including canceled checks, invoices, and itemized receipts — for all qualified expenses. We may ask you to show these records if we have questions.

Is there a penalty for fraudulently claiming a credit?

Yes. If you file a return that fraudulently claims a credit that results in a refund, you will be assessed a penalty equal to 50% of the portion of the refund attributable to fraud. If a fraudulently claimed credit reduced your tax liability, you may also be assessed a penalty equal to 50% of the unpaid tax.
