# 2023 Schedule M1SLC Instructions

## Am I eligible?

You may be eligible for the Student Loan Credit if both of these are true:

- You have taxable earned income
- You made payments toward your own qualified education loans during the year

## What is a qualified education loan?

Qualified education loans include loans used for the cost of attendance at an eligible postsecondary college or university. This does not include loans from a relative or a qualified employer plan.

## Can I claim payments I made toward someone else's loans?

No. You may only qualify for the credit based on your own eligible payments toward your own qualified education loans.

## Do I need proof?

Yes. Save canceled checks and keep a detailed record from the institution you make payments to for your qualified loans. We may ask you to show these records if we have questions.
