# Form M1X Instructions 2012

The 2012 Form M1X can only be used to amend your 2012 Form M1.

To complete Form M1X, you will need the 2012 Minnesota income tax instruction booklet.

## Who Should File Form M1X?

This form should be filed by individuals to correct—or amend—an original 2012 Minnesota individual income tax return. You may not change your filing status from married filing jointly to married filing separately after the original due date of the return has passed, which is April 15, 2013, for most individuals.

Do not file an amended return only to change your banking information.

**Federal changes.** If the Internal Revenue Service (IRS) changes or audits your federal income tax return or you amend your federal return and it affects your Minnesota return, you have 180 days to file an amended Minnesota return. If you are filing Form M1X based on an IRS adjustment, be sure to check the box in the heading and enclose a complete copy of your federal Form 1040X or the correction notice you received from the IRS.

If the changes do not affect your Minnesota return, you have 180 days to send a letter of explanation to the department. Send your letter and a complete copy of your federal Form 1040X or the correction notice you received from the IRS to: Minnesota Revenue, Mail Station 7703, St. Paul, MN 55146-7703.

If you fail to report the federal changes as required, a 10 percent penalty will be assessed on any additional tax, and the department will have six more years to audit your return.

**Net operating losses.** Use Form M1X for net operating losses, which can be carried forward and back in the same manner as for federal purposes. If you are carrying back a net operating loss, Minnesota generally allows only a carryback to the two taxable years preceding the loss. However, if you are carrying a farm related loss back five years on federal Form 1045 or 1040X, you will carry it back to the same year on Minnesota Form M1X.

## Filing For Another Taxpayer

If you are filing Form M1X for another taxpayer, enclose Form REV184, *Power of Attorney*, or a copy of the court appointment authorizing you to represent the taxpayer.

If you are claiming a refund on behalf of a deceased person, enclose a copy of the court appointment that authorizes you to represent the deceased person. Also enclose Form M23, *Claim for a Refund Due a Deceased Taxpayer*.

## Deadline For Filing

To claim a refund, you must file Form M1X within 3½ years of the original due date for the year you are amending. Other deadlines may apply if:

- your federal return has been changed since you originally filed, or
- you have been assessed additional income tax by the department within the last year.

If any of the above situations applies to the year being amended and you need clarification, contact the department.

If you owe additional tax, you must file Form M1X within 3½ years of the due date of your return or the date you filed the return, whichever is later. If the tax and interest is not fully paid when you file Form M1X, a late payment penalty and additional interest will be assessed on your first bill.

## Married Filing Separate Returns

Do not include the name and Social Security number of your spouse if you are married and filing separate returns.

## Column A, Lines 1–24

In most cases, enter the amounts from the appropriate lines of your original 2012 return. However, if your original Form M1 was changed during processing or if you have filed an amended return prior to this one, enter the corrected amounts. If you received a notice of change or an audit report from the department which changed amounts on your original return, use the amounts as shown in that notice or audit report.

## Column B, Lines 1–24

Enter the dollar amount of each change as an increase or decrease for each line you are changing. Show all decreases in parentheses. See the instructions for lines 6 and 10 to determine the amounts to enter in column B for those lines.

If the changes you are making affect the amounts reported on a schedule, you must complete and enclose a corrected schedule.

If you do not enter an amount when there is a change, the processing of your amended return will be delayed. Briefly explain each change in the space on the back of Form M1X and enclose any related schedules or forms.

If you are not making a change for a given line, leave column B blank.

## Column C, Lines 1–24

Add the increase in column B to column A, or subtract the column B decrease from column A. For any item you do not change, enter the column A amount in column C.

## Line Instructions

Refer to the 2012 Form M1 instructions for details on the types of income included in the total income, any allowable adjustments and how to compute and claim various credits, etc.

### Line 1—Federal Taxable Income

Enter the amount from line 1 of your original 2012 Form M1. If your original federal taxable income was previously adjusted by the IRS or the Minnesota Department of Revenue, enter the corrected amount.

Changes to your federal taxable income may also affect child and dependent care, working family and education credits. Your property tax refund return (if filed) may also be affected. If it is, complete and file Form M1PRX, *Amended Minnesota Property Tax Refund Return*.

### Line 4—Total Subtractions

If you are changing your total subtractions, you must enclose a list of the corrected subtractions you reported on lines 5–7 of Form M1 and/or a corrected Schedule M1M.

Changes to your total subtractions may also affect the alternative minimum tax you may be required to pay.

### Line 5—Minnesota Taxable Income

If your taxable income on line 5C has changed, it will affect your tax from the table. Continue with line 6.

### Line 6—Tax From the Table

If the taxable income on line 5C has changed, you must look up the corrected tax using the tables in the 2012 instruction booklet. Enter the correct tax amount on line 6C and the difference between lines 6A and 6C on line 6B.

### Lines 9a–9b—Part-Year Residents and Nonresidents

Changes to your Schedule M1NR will also affect many credits you may claim, such as the child and dependent care, working family and education credits.

### Line 10

Enter the difference (increase or decrease) between lines 10A and 10C on line 10B.

### Line 13—Marriage Credit

If you are changing your marriage credit, complete Schedule M1MA, *Marriage Credit*.

### Lines 14 and 15—Credits Against Tax

If you are changing any credits against tax on lines 14 or 15, you must enclose a corrected copy of the appropriate schedule.

### Lines 19–24—Payments and Credits

If you are changing any payments or credits on lines 19 through 24, you must enclose a corrected copy of the appropriate schedule.

### Line 25

Enter the total of the following tax amounts, whether or not paid:

- amount from line 32 of your original M1,
- amount from line 31 of a previously filed Form M1X, and
- additional tax due as the result of an audit or notice of change.

Reduce the total by any amounts that were paid for penalty, interest, underpayment of estimated tax or any contributions you made to the Nongame Wildlife Fund.

The penalty for underpayment of estimated tax is based on the original tax liability. Subsequent changes to the tax do not affect the penalty.

### Line 27

Enter the total of the following refund amounts:

- amount from line 30 of your original Form M1, even if you have not yet received it,
- amount from line 29 of any previously filed amended return, and
- refund or reduction in tax from an audit adjustment or appeal.

Include any amount that was credited to estimated tax, applied to pay past due taxes, used to pay an outstanding debt to a state or county agency, or donated to the Nongame Wildlife Fund.

Do not include any interest that may have been included in the refunds you received.

### Lines 29 and 31

Lines 29 and 31 should reflect the changes to your tax and/or credits as reported on lines 1-24 of Form M1X. If you have unpaid taxes on your original Form M1, Form M1X is not intended to show your corrected balance due.

### Line 29

This refund *cannot* be applied to your estimated tax account. Skip lines 31 through 35.

If you owe federal or Minnesota taxes, criminal fines or a debt to a state or county agency, district court, qualifying hospital or public library, the department is required to apply your refund to the amount you owe (including penalty and interest on the taxes). Also, if you participate in the Senior Citizens Property Tax Deferral Program, your refund will be applied to your deferred property tax

total. Your Social Security number will be used to identify you as the correct debtor.

If your debt is less than your refund, you will receive the difference.

### Line 30—Direct Deposit of Refund

If you want the refund on line 29 to be directly deposited into your checking or savings account, enter the requested information on line 30.

The **routing number** must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). If your account number is less than 17 digits, enter the number starting with the first box on the left—leave out any hyphens, spaces and symbols—and leave any unused boxes blank.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

By completing line 30, you are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

### Line 31

If line 28 is a negative amount, treat it as a positive amount and add it to line 18C. Enter the result on line 31. This is the amount you owe, which is due when you file your amended return. You *cannot* use any funds in your estimated tax account to pay this amount. Continue with line 32.

### Line 32

If only one of the penalties below applies, you must multiply line 31 by 10 percent (.10). If both penalties apply, multiply line 31 by 20 percent (.20). Enter the result on line 32.

- The IRS assessed a **penalty for negligence or disregard of rules or regulations**, and/or
- You **failed to report federal changes to the department within 180 days as required** (see page 1 of these instructions).

### Line 34—Interest

You must pay interest on any unpaid tax plus penalty from the regular due date until paid in full. Interest rates may change each calendar year. For 2013, the rate is 3 percent.

To determine the interest you owe, use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 33} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

To find prior-year interest rates, see our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us).

### Line 35—Amount Due

Pay the amount due electronically or by check. Go to [www.revenue.state.mn.us](http://www.revenue.state.mn.us) or call 1-800-570-3329 to pay electronically. If you

are paying by check, you must complete Form M63 and mail it with Form M1X along with a check made payable to **Minnesota Revenue**.

### Sign Your Return

If you are married and filing jointly, your spouse must also sign. If you paid someone to prepare your return, that person must also sign and include their preparer identification number.

You may check the box in the signature area to give us your permission to discuss your return with the paid preparer and/or third party.

Checking the box does not give your preparer the authority to sign any tax documents on your behalf or to represent you at any audit or appeals conference. For these types of authorities, you must file a power of attorney or Form REV184 with the department.
