2015 Form IG259 Instructions

For insurance tax laws, see Minnesota Statutes, Chapter 297I at www.leg.state.mn.us.

Filing Requirements

All fire and casualty insurers authorized to write fire or inland marine insurance (including extended coverage) subject to Minnesota premium tax, must file Form IG259 even if no business is conducted during the year covered by the report.

(M.S. 297I.25, subd. 2; M.S. 69.021)

Due Date

File Form IG259 for each calendar year by March 1 of the following year. If the report is incomplete or inaccurate, the department may return the report and demand that a complete and accurate report be filed within 30 days (see *Penalties*).

The U.S. postmark date, or date recorded or marked by a designated delivery service, is considered the filing date (private postage meter marks are not valid). When the due date falls on a Saturday, Sunday or legal holiday, returns postmarked on the next business day are considered timely. When a return is filed late, the date it is received at the Department of Revenue is treated as the date filed.

Penalties

If your form IG259 is not filed by the due date, you will be fined \$25 for each seven days you are late (or fraction thereof) to a maximum penalty of \$200.

If you knowingly file an inaccurate report, you may be fined from \$25 to \$1,000, and your certificate of authority may be revoked by the Department of Commerce. Any person responsible for filing the report who fails or refuses to do so within 30 days after the department requests the report may be fined up to \$1,000.

(M.S. 69.021, Subd. 3)
