**2014 Form IG260 Instructions**

For insurance tax laws, see *Minnesota Statutes, Chapter 297I* at [www.leg.state.mn.us](http://www.leg.state.mn.us).

All surplus lines brokers licensed to do business in Minnesota must file Form IG260, *Semiannual Statement of Surplus Lines Insurance*, even if there is no activity or tax liability to report.

(M.S. 297I.05, subd. 7)

**Filing Requirement**

Effective July 21, 2011, the Nonadmitted and Reinsurance Reform Act of 2010 (NRRRA) permits only the insured's home state to require the payment of premium tax for nonadmitted insurance.

When Minnesota is the home state of the insured, as provided under M.S. 297I.05, subd. 7, 100 percent of the gross premiums are taxable in Minnesota with no allocation of the tax to other states.

“Home state” means the state in which an insured maintains its principal place of business, or in the case of an individual, the individual's principal residence.

However, if 100 percent of the insured risk is located outside Minnesota, then the insured's home state is the state to which the greatest percentage of the insured's taxable premium for that insurance contract is allocated.

**Minnesota Tax ID Required**  
Surplus lines insurance brokers are required to have their own Minnesota tax ID number. This is not a Social Security number or agency Minnesota tax ID number.

If you don't have a Minnesota tax ID, you can apply online. Go to our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and click “Register for a Minnesota tax ID number” on the e-Services menu. *Note:* During the process, be sure to select “Sole proprietor” as the type of legal organization. Use NAICS classification number 524210.

If you don't have access to the Internet, call 651-282-5225 or 1-800-657-3605 to register by phone.

**Due Dates**

File Form IG260 with all required attachments and pay any tax due by:

- Aug. 15 (for the six-month period ending June 30); and
- Feb. 15 of the following year (for the six-month period ending Dec. 31).

This form must be filed even if no tax is due for the period.

The U.S. postmark date, or date recorded or marked by a designated delivery service, is considered the filing date (private postage meter marks are not valid). When the due date falls on a Saturday, Sunday or legal holiday, returns and payments electronically made or postmarked on the next business day are considered timely. When a return or payment is late, the date it is received at the Department of Revenue is treated as the date filed or paid.

**Extension for Filing Return.** If good cause exists, you may request a filing extension.

**Rules for Using Spreadsheets**

If you are using your own spreadsheet, you must include all the information and in the same format as on page 2 of Form IG260, including subtotals on each page. Your filing will not be considered complete if all information, including subtotals, is not included.

If you have more than two pages of surplus lines insurance, submit an electronic file in addition to the printout. The files must be in a Microsoft Excel format.

**Payments****Electronic Payments**

If your total insurance taxes and surcharges for the last 12-month period ending June 30 is \$10,000 or more, you are required to pay your tax electronically in all subsequent years.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as withholding tax.

To pay over the Internet, go to the department's website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and login. If you don't have Internet access, call 1-800-570-3329 to pay by phone. You'll need your user name, password and bank routing and account numbers. When paying electronically, you must use an account that is not associated with any foreign banks.

If you use other electronic payment methods, such as ACH credit method or Fed Wire, instructions are available on our website or by calling our Business Registration Office at 651-282-5225 or 1-800-657-3605.

Submit separate payments for each return.

**Check Payments**

If you're not required to pay electronically and are paying by check, visit our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and click on “Make a Payment” and then “By check” to create a voucher. Print and mail the voucher with a check made payable to Minnesota Revenue.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account, and you may not receive your canceled check.

**Late Filing.** Add a late filing penalty to the late payment penalty if your return is not filed by the due date. The penalty is 5 percent of the unpaid tax. When added to the late payment penalty, the maximum combined penalty is 20 percent.

**Payment Method.** If you are required to pay electronically and do not, an additional 5 percent penalty applies to payments not made electronically, even if a paper check is sent on time.

### **Line 9 – Interest**

You must pay interest on the unpaid tax plus penalty from the due date until the total is paid. The interest rate for calendar year 2014 is 3 percent. The interest rate may change for future years.

To figure how much interest you owe, use the following formula with the appropriate interest rate:

$$\text{Interest} = (\text{tax} + \text{penalty}) \times \# \text{ of days late} \times \text{interest rate} \div 365$$
