# 2016 Schedule M1CR Instructions

## Am I eligible?

You may be eligible for the credit for income tax paid to another state if:

- you were domiciled in Minnesota for all or part of 2016; and
- you incurred 2016 income tax for Minnesota and for another state on the same income. A Canadian province or territory and the District of Columbia are considered a state for purposes of this credit.

**Include:** Any income taxes paid to another state by an S corporation or a partnership that you included on line 7 of Schedule M1M.

**Do not include:** Any tax paid to:

- a local unit of government (such as a city, county or school district);
- a national government, including a possession of the United States or the national government of Canada;
- a Canadian province or territory if the taxes were used to claim a federal foreign tax credit. See the line 6 instructions for details.

## Part-Year Residents

To be eligible, you must have been a Minnesota resident when you received the income that was taxed by both states. Also, you must file a return with the other state.

**Exception:** If you were a permanent resident of another state but are required to file a Minnesota income tax return as a resident (because of the 183-day rule), you may be eligible for this credit if you paid 2016 state tax on the same income to both Minnesota and the state of which you were a resident. However, you must get a statement from the other state's tax department stating you are not eligible to receive a credit on that state's return for income tax paid to Minnesota. Include the statement and Schedule M1CR with your Form M1.

## Minnesota Residents Working in Michigan or North Dakota

If you had 2016 state income tax withheld by Michigan or North Dakota from personal service income—such as wages, salaries, tips, commissions, bonuses—you received from working in one of those states, do not use Schedule M1CR. You can get a refund of the tax withheld for the period you were a Minnesota resident by filing that state's income tax return with that state.

However, if you paid 2016 income tax to one of those states on income other than from personal service income—such as income from rental property or from the sale of real property—you may be eligible for this credit. Complete Schedule M1CR.

## What if I paid income taxes to more than one other state?

- 1 Complete a separate Schedule M1CR for each state.
- 2 Add the amounts from line 7 or line 11, whichever applies, from each Schedule M1CR.
- 3 Enter the result from step 2 on line 17 of Form M1.

## Lines 1 through 6

Round amounts to the nearest whole dollar.

### Full-Year and Part-Year Residents of Minnesota

#### Line 1

Your federal adjusted gross income is line 37 of Form 1040, line 21 of Form 1040A, line 4 of Form 1040EZ, line 36 of Forms 1040NR, or line 10 of Form 1040NR-EZ.

Determine the amount of federal adjusted gross income you received in 2016 while a Minnesota resident. Of that amount, determine the income that was taxed by the other state, and enter that amount on line 1. Also include any non-Minnesota municipal bonds taxed by the other state.

Do not include any income you received from a lump-sum distribution from a qualified retirement plan that is listed as income on your Schedule M1LS, *Tax on Lump-Sum Distribution*.

#### Line 2

**Full-Year Residents:** Complete the worksheet at the bottom of this page.

**Part-Year Residents:** From Schedule M1NR, add line 19 column B, line 21 column B, and line 23. Then, subtract from the total line 10 column B. Enter the result on line 2 of Schedule M1CR.

Enter the tax amount from the other state's tax return. The amount of tax must be before you subtract any income tax withheld by that state or any estimated tax you paid to that state. Do not include any tax you paid to any local unit of government (such as a city, county, or school district).

If you filed Schedule M1LS, do not include any tax you paid on income from a lump-sum distribution from a qualified retirement plan.
