Line Instructions

Full-Year and Part-Year Residents of Minnesota

Line 1

Your adjusted gross income is line 1 of Form M1. If you filed Schedule M1NC, your adjusted gross income is line 38 of Schedule M1NC.

Determine the amount of adjusted gross income you received in 2018 while a Minnesota resident. Of that amount, determine the income taxed by Wisconsin, and enter on line 1. For Minnesota full-year residents, this is your Wisconsin income from column B of Form 1NPR. Also include any non-Minnesota municipal bonds taxed by Wisconsin.

Do not include any income you received from a lump-sum distribution from a qualified retirement plan listed as income on your Schedule M1LS, *Tax on Lump-Sum Distribution*.

Line 2

Full-Year Residents: Complete the worksheet for line 2 below.

Part-Year Residents: From Schedule M1NR, add line 20, column B, line 22 column B, and line 24. Then subtract line 10, column B. Enter the result on line 2 of Schedule M1RCR.

Line 6

Enter the income tax amount from Wisconsin Form 1NPR. The amount of tax must be before you add any donations and before you subtract any income tax withheld by Wisconsin or any estimated tax you paid to Wisconsin. Do not include any tax you paid to any local unit of government (such as a city, county, or school district).

If you filed Schedule M1LS, do not include any tax you paid on income from a lump-sum distribution from a qualified retirement plan.

Line 9

Enter the amount of compensation you received for personal service income - including wages, salaries, tips, commissions, fees, and bonuses - taxed by Wisconsin while you were a Minnesota resident.

If you own a business that sells services in Wisconsin, you may include compensation for professional services you personally provide if the business income generated by your employees or from the sale of goods is incidental. Your employee salaries and gross profit from the sale of goods are considered incidental if they add up to less than \$20,000 or 10 percent of the gross profit, whichever is greater.
