2013 Schedule M1WFC Instructions

Who is Eligible?

If you are a Minnesota resident and are eligible for the federal earned income credit (EIC), you may also be eligible for the Minnesota working family credit.

Part-year residents and nonresidents may also be eligible for the credit, which is apportioned by the percentage of income taxable to Minnesota.

Before you can complete Schedule M1WFC, you must:

- 1 follow the steps in the instructions for your federal return to determine if you qualify for the federal EIC, and
- 2 complete the appropriate federal EIC Worksheet.

Income requirements

Except for the extended income range, eligibility requirements for the Minnesota working family credit are the same as for the federal earned income credit.

Extended income range. Due to differences between federal and Minnesota law, taxpayers who are at the higher end of the income eligibility range for the federal credit and have three or more children will not receive a working family credit (see chart below).

If your earned income (line 1 of Schedule M1WFC) or your federal adjusted gross income (line 3 of Schedule M1WFC), whichever is higher, is above the following amounts, you do not qualify for the Minnesota working family credit.

Filing Status	Income Limit
Taxpayers with three or more children:	
married-joint returns	\$48,300
other than married filing joint . . .	43,000

Information on Qualifying

Children

Near the top of Schedule M1WFC, check a box to indicate the total number of qualifying children. Enter the requested information for each qualifying child. If you have more than two qualifying children, list only two.

Enter the number of months the child lived with you during the year. If the child lived with you in the United States for more than half of the year but less than seven months, enter "7" in the space provided. If the child was born or died in 2013 and your home was the child's home for the entire time he or she was alive during the year, enter "12."

Enter the number of qualifying children in the space provided on Form M1, line 26.

Penalty for Fraudulently

Claiming A Refundable Credit

If you file a return that fraudulently claims a refundable credit, including the Minnesota working family credit, you will be assessed a penalty. The penalty is 50 percent of the fraudulently claimed refund and is in addition to the 50 percent penalty on the understated tax.

Line Instructions

Round amounts to the nearest whole dollar.

Line 4

Credit Amount

If your filing status is married filing joint, a bill signed into law after the M1 instruction booklet was printed may affect your credit. Determine the amount for line 4 using your filing status and the attached table. You can also find the table in the online M1 instruction booklet or on our website at www.revenue.state.mn.us.

Line 6

Part-year residents and nonresidents

If your gross income is below the filing requirement, and you are filing Form M1 to claim this credit, you should have entered zero on line 23 of Schedule M1NR. However, to correctly determine your credit, you

must first fully complete Schedule M1NR, by following the line instructions, to determine what the amounts would have been, and then follow the worksheet below to determine line 6.

Line 7

American Indians working and living on an Indian reservation and taxpayers with JOBZ business income

The working family credit is based only on earned income taxable to Minnesota. Therefore, you must apportion your credit if you are a Minnesota resident and:

- are an American Indian working and living on a reservation and had earned income not subject to Minnesota tax, or
- claimed a subtraction for income from operating a qualified business in a Job Opportunity Building Zone.

To apportion your working family credit, follow the worksheet below to determine line 7.
