

# Local Sales and Use Tax Rate Guide

Effective January 1 - March 31, 2019 (We update tax rates every quarter)

Local tax rates are listed in the table below. This table does not include special local taxes (lodging, entertainment, liquor, admissions and restaurant taxes).

- Cities with an asterisk may fall within multiple taxing areas.
- New local tax changes are highlighted in blue.
- Local taxes that have ended are highlighted in green.

The information in this table does not relieve you of your responsibility to charge and remit the correct sales tax rate. To get the correct sales tax rate, use the Sales Tax Rate Calculator on our website.

For more information on local and special local taxes, see:
