FOR IMMEDIATE RELEASE

February 13, 2012

Revised Twin Cities Metropolitan Area Fiscal Disparities Program Released Today; Findings remain the same

St. Paul – Today the Minnesota Department of Revenue released a [revised copy](#) of the study of the Twin Cities Metropolitan Area Fiscal Disparities Program. Errors were found in the report and have been corrected. The overall findings in the report are unchanged.

The revised report is available online at: www.taxes.state.mn.us.

Representatives from TischlerBise, who conducted the study, will testify before the House and Senate Tax Committees to explain the study and the information it contains. The House will hold two hearings on February 15. The Property and Local Tax Division will meet at 8:15 a.m. and the Tax Committee will meet at 10:15 a.m. The Senate hearing is at 8:30 a.m. on February 16.
