janelle.tummel@state.mn.us**Affected by recent winter storm in southern Minnesota? You get more time to file and pay your Minnesota taxes**

ST. PAUL, Minn. – Taxpayers in southern Minnesota who were affected by the recent winter storm will get extra time to file Minnesota returns and pay Minnesota taxes, the Minnesota Department of Revenue announced Friday.

This applies to individual and business taxpayers located in southern Minnesota who have Minnesota tax returns or payments due from April 9 to April 18. We will not assess penalties or interest for these taxpayers as long as they file and pay their taxes by April 19, 2013.

Affected taxpayers simply need to file and pay their Minnesota taxes by April 19. If you are in the affected area and receive a tax bill or have questions, please contact us at 651-556-3003 or 1-800-657-3909.

This only applies to Minnesota taxes. This does not apply to any federal taxes.
