Department of Revenue
Analysis of H.F. 725 (Garofalo) / S. F. 529 (Ortman)

Effective beginning with the report due in March 2013.

Current law requires the Department of Revenue to prepare a biennial report on the incidence of the various Minnesota state and local taxes. The bill would require the report to be extended to include the incidence of federal taxes borne by Minnesota residents.

The bill would have no revenue impact.
