EXPLANATION OF THE BILL

The bill creates an out-of-home placement aid for counties. A county would receive \$500,000 to be used to meet the county's cost of out-of-home placement programs if the percentage of households receiving food stamps divided by age-adjusted population is greater than 5%. The eligibility percentage is determined using data for certified 2008 county program aid.

REVENUE ANALYSIS DETAIL

- The proposed out-of-home placement aid would increase state costs to the general fund by \$500,000 beginning in FY 2010.
