Analysis of S.F. 1961 (Eaton) / H.F. 2357 (Nelson) as introduced

The bill allows the city of Brooklyn Park's Economic Development Authority (EDA) to create a tax increment financing (TIF) district for parcel 2911921340004. The development would be an aquatic performance and wellness center. Construction must begin before July 1, 2013. Temporary authority to stimulate construction expires on July 1, 2014. The EDA may spend increments for assistance in any form for the development of the parcel. Effective following local approval.

The proposed changes to the general TIF provisions may have an impact on the local tax base and tax rate in the future and may result in a small change in property tax refunds paid by the state.
