2012 Schedule M1ED Instructions

Who is Eligible?

You may be able to receive a credit if you paid certain types of education-related expenses in 2012 for qualifying children in grades kindergarten through 12 (K–12). Read the eligibility requirements on page 16 of the Form M1 instructions to determine if you qualify.

If you are eligible, complete Schedule M1ED. You may claim a credit equal to 75 percent of your actual expenses—up to the maximum amount—for which you have documentation, such as itemized cash register receipts and canceled checks.

Expenses that cannot be used for the credit may be used for the K-12 Education Subtraction (line 19 of Schedule M1M).

Penalty for Fraudulently Claiming a Credit

If you file a return that fraudulently claims a credit, you will be assessed a penalty equal to 50 percent of the fraudulently claimed credit.

You Must Have Proof

Save records (such as itemized cash register receipts and canceled checks) of all your education expenses. You may be asked to show such records if there is any question concerning your education credit.
