## Schedule M1NR Instructions 2012

### Nonresidents/Part-Year Residents

#### What's New

##### Other state boxes in residency status section.

When completing the top of Schedule M1NR for residency status, please include the 2-letter abbreviation for your other state of residence during 2012 in the boxes on the right.

#### Who Must File

If you were a nonresident or part-year Minnesota resident in 2012, you may reduce your Minnesota tax by completing Schedule M1NR. To determine if you were a full-year resident, part-year resident or nonresident for tax purposes, see Fact Sheet 1, *Residency*.

You must file a Minnesota Form M1 and Schedule M1NR if you and your spouse received **gross income** assignable to Minnesota of \$9,750 or more, including income passed through to you from all partnerships (line 21 of Schedule KPI), S corporations (line 21 of Schedule KS) and estates or trusts (line 23 of Schedule KF).

*Gross income* is income before any deductions and expenses. Gross income does not include military pay paid to a Minnesota resident for service outside Minnesota.

Married taxpayers who file a joint federal return must file a joint Minnesota return even if only one spouse is a Minnesota resident or has Minnesota income. Include Schedule M1NR when you file your return.

##### If your Minnesota gross income is below the minimum filing requirement (less than \$9,750), and you had tax withheld or paid estimated tax, follow the steps below to complete your Schedule M1NR:

- 1 Complete lines 1–11 of Schedule M1NR.
- 2 Skip lines 12–22.
- 3 Enter a zero on line 23.
- 4 Enter the amount from line 11, column A, on line 24.
- 5 Then complete the rest of the schedule.

Enter the appropriate amounts from your Schedule M1NR on lines 12a, 12b and 12 of Form M1 and include the schedule when you file your return.

**If you were a resident of Michigan or North Dakota for all of 2012**, do not complete this schedule if your only Minnesota source income is exempt due to reciprocity (see page 5 of the M1 instructions). Complete Schedule M1NR only if you received

income from sources in Minnesota that does not qualify under reciprocity. (Income that qualifies for reciprocity includes wages, salaries, tips, commissions, bonuses, fees and similar compensation for work performed in Minnesota.)

#### Column A Instructions

*Round amounts to the nearest whole dollar.*  
Enter the appropriate amount from your 2012 federal or Minnesota income tax return, as instructed for each line.

#### Column B Instructions

For purposes of this deduction only, earned income includes wages, self-employment income and all other earned income, plus all taxable

alimony received. Subtract deductible Keogh contributions and self-employment tax deductions (Schedule SE) from that total.

If your spouse also worked, determine the spousal deduction in the same way. Use only your spouse's earned income plus your spouse's federal IRA, SEP or SIMPLE plan deduction.

**Line 14, Column B**

**Health Savings Account and Archer MSA Deductions**

Add your health savings account deduction from line 25 of Form 1040 and the Archer MSA deduction included on line 36 of Form 1040. Multiply the result by the percentage your Minnesota earned income is to your federal earned income.

For purposes of this deduction only, earned income includes wages, self-employment income and all other earned income, plus all taxable alimony received.
