2013 Form M4X Instructions

For additional information, refer to the 2013 forms and instructions.

Federal Return Adjustments

If you amend your federal tax return or if the Internal Revenue Service (IRS) makes an adjustment to your federal return, you must notify us within 180 days. Failure to report federal changes on an amended return, Form M4X, within 180 days will result in a penalty of 10 percent of any additional tax due. See line 36 instructions.

Attach a copy of your amended federal return or notice of adjustment to your Form M4X.

Refunds

Use the 2013 Form M4X to make a claim for refund and report changes to your Minnesota liability for tax year 2013. If you make a claim for a refund and we do not act on it within six months of the date filed, you may bring an action in the district or tax court.

When to File

File Form M4X only after you have filed your original return. You may file Form M4X within 3½ years after the return was due or within one year from the date of an order assessing tax, whichever is later. If you filed your original return under an extension by the extended due date, you have up to 3½ years from the extended due date to file the amended return, Form M4X.

Filing Reminders

The amended return must be signed by a person authorized by the corporation.

If you pay someone to prepare your return, the preparer must sign and enter his or her PTIN number and daytime phone.

Rounding is required. You must round amounts to the nearest dollar. Drop any amount less than 50 cents and increase any amount that is 50 cents or more to the next higher dollar.

Completing the Form

Enter your tax year beginning and ending dates at the top of the form. On page 2 of Form M4X, include a detailed explanation of why the original return was incorrect. Providing this information will help us to verify the amended amounts.

Continued

2013 Form M4X Instructions (continued)

Line 34

If line 32 is a negative amount, treat it as a positive amount and add it to line 33. Enter the result on line 34. This is the amount you owe, which is due when you file your amended return. You *cannot* use any funds in your estimated tax account to pay this amount. Continue with line 35.

Line 35

If only one of the penalties below applies, you must multiply line 34 by 10 percent (.10). If both penalties apply, multiply line 34 by 20 percent (.20). Enter the result on line 35.

- The IRS assessed a **penalty for negligence or disregard of rules or regulations**, and/or
- You **failed to report federal changes to the department within 180 days as required**.

Line 37

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 36} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

The interest rate is determined each October for the following calendar year. The rate for 2014 is 3 percent. Rates for years after 2014 will be available on our website.

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

To pay electronically. Go to our website at www.revenue.state.mn.us and login, or call 1-800-570-3329 to pay by phone.

To pay by check. You must complete Form PV64 and mail it with your Form M4X along with a check made payable to **Minnesota Revenue**.

Your check authorizes us to make a one-time electronic fund transfer from your account. You may not receive your canceled check.

Line 39

If you are expecting a refund, you must provide the requested banking information to have the full amount deposited directly into your bank account. You must use an account not associated with any foreign banks.

Your bank statement will indicate when your refund was deposited to your account.

This refund *cannot* be applied to your estimated tax account.
