EXPLANATION OF THE BILL

This bill would reinstate the sales and use tax exemption for telecommunications equipment that was repealed during the 2013 legislative session. The repeal was effective July 1, 2013. This bill would allow the purchaser to claim a refund of any sales and use taxes that were paid on telecommunications equipment since July 1, 2013.

REVENUE ANALYSIS DETAIL

- This estimate is based on analysis conducted for the 2013 legislative session.
- This estimate assumes that refunds for sales taxes paid since July 1, 2013, will be paid in fiscal year 2014.
