2015 Schedule KF instructions

Beneficiary's use of information provided on Schedule KF

Purpose of Schedule KF

Schedule KF is a supplemental schedule provided by the fiduciary to the beneficiaries. The beneficiaries need this information to complete a *Minnesota Individual Income Tax Return*, Form M1.

The schedule shows each beneficiary their specific share of the fiduciary's income, credits and modifications. A beneficiary who is a Minnesota resident must report all income from the trust or estate. A nonresident beneficiary must report income which is allocable to Minnesota.

Income allocable to Minnesota includes:

- Income earned from a resident trust or estate;
- Income earned from Minnesota real or tangible property of a nonresident trust or estate
- Business income apportioned to Minnesota from a nonresident trust or estate

[M.S.290.17]

These instructions are intended to help you report your share of the fiduciary's income, credits and modifications on your Minnesota return.

If you received an amended Schedule KF from the fiduciary and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*.

Line instructions

Include amounts on the appropriate lines as shown on Schedule KF. Be sure to read the following line instructions for additional information.

Lines 1-17. If all or part of the fiduciary's income is distributed, then any adjustment shown on lines 25-33 and 35-42 of Form M2 is passed through to the beneficiary(s) in the proportion to their share of distributable net income.

From line 44 of Form M2, enter the adjustments to income allocated to each beneficiary.

Line 18. If you received a Minnesota income tax withholding credit, enter the beneficiary's distributive share of any credit that is passed through to the beneficiary. Do not include amounts reported on line 15b of Form M2.

Line 19. If you are a qualified business operating in a JOBZ zone, enter the beneficiary's distributive share, if any, of the JOBZ jobs credit that is passed through to the beneficiary.

Line 20. If you are a partner of a partnership or a shareholder of an S corporation that conducted qualified research and development in Minnesota, from line 11 of Schedule KPI and line 11 of Schedule KS, enter the beneficiary's distributive share of the credit that is passed through to the beneficiary. Attach the appropriate schedule when you file your return.

Line 21. If you are a partner of a partnership or a shareholder of an S corporation that hired a qualified student for internship, from line 12 of Schedule KPI and the Schedule KS, enter the beneficiary's distributive share of the credit that is passed through to the beneficiary. Attach the appropriate schedule when you file your return.

Line 22. If you are a partner of a partnership or a shareholder of an S corporation that qualified for credit for historic structure rehabilitation, from line 13 of Schedule KPI and Schedule KS, enter the beneficiary's distributive share of the credit that is passed through to the beneficiary. Attach the appropriate certificate when you file your return and enter the NPS project number in the space provided.

Nonresident beneficiaries

Lines 23–29

Lines 23-29 apply to nonresident beneficiaries. A nonresident beneficiary will be taxed on the income which is allocable to Minnesota.

Lines 23-26. From the nonresident beneficiary's federal Schedule K-1 (1041), enter the Minnesota portion of amounts on lines 23–26.

Interest or dividend income derived from a trade or business (S corporations and partnerships) that is apportioned to Minnesota should be included on line 25.

On line 26, only include other income allocable to Minnesota. For example, include other income from services performed in Minnesota, but do not include interest, dividends or distribution from a pension plan.

Include lines 23-26 on the corresponding lines in column B of Schedule M1NR.

Line 27. Minnesota source gross income is used to determine if a nonresident individual is required to file a Minnesota income tax return. Gross income is income before business or rental deductions and does not include losses.

If your total 2015 Minnesota source gross income is \$10,300 or more and you did not elect composite filing, you are required to file Form M1 and Schedule M1NR, *Nonresidents and Part-Year Residents*. You must include all Minnesota source gross income passed through to you from all fiduciaries, partnerships and S corporations when determining if you are required to file a Minnesota return.

If your 2015 Minnesota source gross income is less than \$10,300 and you are allowed a Minnesota income tax withholding credit, file Form M1 and Schedule M1NR to receive a refund.

Although Minnesota source gross income determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Composite Income Tax

Line 28. When determining the beneficiary's share of the Minnesota source distributive income from this fiduciary, you must make adjustments for any items you passed through to the beneficiary on lines 1 through 22 of the beneficiary's Schedule KF.

Follow the steps in the Worksheet for Line 28 on the next page to determine line 28.

Line 29. Nonresident beneficiaries must pay tax if their Minnesota gross income is more than the minimum filing requirement for the year (\$10,300 for 2015).

Skip this line if the nonresident beneficiary did not elect the fiduciary to pay composite income tax on his or her behalf.

To determine the amount of composite income tax to pay on behalf of each electing beneficiary, follow the steps on the Worksheet for Line 29 on the next page.

If the beneficiary elects to be included in composite income tax but has zero tax due, be sure to enter zero on line 29. Even though the amount may be zero, be sure to check the box to indicate the election.

2015 Schedule KF instructions (continued)

Once you have completed all the KF schedules for your electing nonresident beneficiaries, add the amounts on line 29 of all the schedules and enter the total on line 13 of Form M2. This is the amount of composite income tax you are required to pay on behalf of your electing beneficiaries.

Federal Changes Not Adopted by Minnesota

 A bill signed into law on January 13, 2017, conforms Minnesota law to federal law when determining federal taxable income for tax year 2015. As a result, taxpayers are no longer required to recompute Minnesota taxable income for Minnesota tax purposes.

The following codes will reference a non-conformity issue, which will require an adjustment to Minnesota Income. Place the code in the box and the beneficiary's pro-rata share of the amount on the corresponding line. If you need additional lines, attach additional KF schedules.
