Resident Distributor- Fill out Schedule Types 1, 2 & 3

Nonresident Distributor- Fill out Schedule Type 1 only

Schedule 1

Resident distributors. Itemize all untaxed cigar purchases received during the month. When you complete the schedule, enter the cigars as shown on the purchase invoices.

Don't enter net amounts which reflect shortages or overages. If you're shorted merchandise, enter the amount shorted on Schedule 2 as appropriate. If you received more merchandise than you ordered, enter the amount on a separate line of Schedule 1.

Enter the total cigar amount on line 17. Report this total on line 8 of Form CT301, *Tobacco Tax Monthly Return*.

Nonresident distributors. Itemize all cigar products that you sold into Minnesota during the month. Report returns you received from Minnesota customers as a negative sale on Schedule 1. Enter the total cigar amount on line 17. Report this total on line 8 of Form CT301.

Definition of Wholesale Sales Price. "Wholesale sales price" is the price at which a distributor purchases a tobacco product. Wholesale sales price includes applicable federal excise tax, freight charges, or packaging costs, regardless of whether they were included in the purchase price.

Schedule 2

Credits (Resident Distributors Only)

"Credits" are cigars you sold to exempt organizations or returned to the manufacturer.

Enter cigars that you sold to exempt organizations during the month (e.g., federal military bases, federal prisons). Also enter cigars that you returned to the manufacturer during the month. You must receive a credit memo from the manufacturer before you can claim credit for any returned or short-shipped products. Include copies of sales invoices and credit memos with this form. Enter total credits on line 17. Report this total on line 9 of Form CT301.
