### Credit for Attaining Master's Degree in Teacher's Licensure Field

Teachers licensed by Minnesota enrolling in an eligible master's degree program in their licensure field after June 30, 2017 may be eligible for a nonrefundable credit up to \$2,500 in the year they complete the program. Claim this credit on Schedule M1CMD, *Credit for Attaining Master's Degree in Teacher's Licensure Field*.

### **Student Loan Credit**

Minnesota residents and part-year residents making payments on their postsecondary education loans may be eligible for a nonrefundable credit up to \$500. For married couples, each spouse is eligible for this credit. Claim this credit on Schedule M1SLC, *Student Loan Credit*.

### **Credit for Taxes Paid to Wisconsin**

Do not file Schedule M1CR, *Credit for Income Tax Paid to Another State*, to claim a credit for taxes paid to Wisconsin. Use Schedule M1RCR, *Credit for Taxes Paid to Wisconsin.* 

Minnesota domiciled residents who pay tax to Wisconsin on income from personal and professional services performed in Wisconsin may be eligible for a refundable credit. Taxpayers should use Schedule M1RCR to determine the nonrefundable and refundable portions of the credit for taxes paid to Wisconsin.

### Section 529 Plan Credit and Subtraction

Individuals who contribute to a Section 529 College Savings Plan may be eligible for a nonrefundable credit of up to \$500, or be able to reduce their Minnesota taxable income.

The credit is available to part-year and full-year Minnesota residents. For all filers whose federal adjusted gross income (FAGI) is \$75,000 or less, the credit is 50% of their net contributions to qualified accounts up to a credit of \$500. The maximum credit phases out as FAGI exceeds \$75,000. The credit is not available to married couples filing a joint return with FAGI \$160,000, or individuals with FAGI of \$100,000.

The subtraction is available to all filers, who did not claim the credit, regardless of where they lived. The subtraction is equal to net contributions to qualified accounts up to \$3,000 for married couples filing a joint return, or \$1,500 for all others.

### Child and Dependent Care Credit

Beginning with tax year 2017, the income limits for the Minnesota Child and Dependent Care Credit are expanded. The income limits are now \$62,000 for taxpayers who have one qualifying individual and \$74,000 for taxpayers who have two or more qualifying individuals. Taxpayers who paid someone to care for their child or other qualifying person, or paid someone for household services, may be eligible. Claim this credit on Schedule M1CD, *Child and Dependent Care Credit*.

### **Working Family Credit**

Beginning with tax year 2017, American Indians living and working on a reservation no longer need to complete a worksheet to determine their credit. Claim this credit on Schedule M1WFC, *Working Family Credit*.

### Discharge of Indebtedness for Education Loans Subtraction

Individuals whose qualified education loans are forgiven as a result of participation in a federal income-based repayment plan may be eligible for a subtraction from income of the entire amount forgiven. Report this subtraction on line 42 of Schedule M1M, *Income Additions and Subtractions*.

### **Social Security Benefit Subtraction**

Individuals receiving Social Security or Railroad Retirement benefits that are included in Minnesota taxable income may qualify for a subtraction from Minnesota income if their provisional income does not exceed certain limits. Use the worksheet in the instructions for Schedule M1M to determine your subtraction to report on line 40 of Schedule M1M.

### First-Time Home Buyer Savings Account Subtraction

Individuals who have established a firsttime home buyer savings account may subtract from their income the interest and dividends earned on their account. Use Schedule M1HOME, *First-Time Home Buyer Savings Account*, to designate a first-time home buyer savings account and report this subtraction.

### First-Time Home Buyer Savings Account Addition and Additional Tax

Individuals who make a withdrawal from a first-time home buyer savings account and do not use the funds for closing costs, down payments, construction costs may be required to add the earnings portion of the withdrawal into their Minnesota taxable income. If an addition is required, an additional tax of 10% of the addition will also apply. The addition and additional tax are calculated on Schedule M1HOME.

### Accelerated Recognition of Certain Installment Sale Gains

Certain taxpayers may be required to accelerate recognition of their gains from business installment sales made in tax year 2017 or elect to defer the recognition of their gains. Report these gains or deferment on Schedule M1AR, *Accelerated Recognition of Installment Sale Gains*.

## Where's my refund?

The Minnesota Department of Revenue takes the security of your money seriously and will take the time necessary to review every return for accuracy. Each return is different and we process them as quickly as we can, making sure the right refund goes to the right person. This process includes a combination of automated and manual reviews and may mean longer wait times for some refunds to be sent. If you are expecting a refund, go to **www.revenue.state.mn.us** and type **Where's My Refund** in the Search box to monitor the status. You can:

- See if we've received your return
- Follow your return through the process
- · Understand the steps your return goes through before a refund is sent
- See the actual date your refund was sent

When you use Where's My Refund, we ask for the exact amount of your refund in addition to your Social Security number and date of birth.

- What can I do to get my refund faster?
- Avoid common errors (see below)
- Electronically file your return
- · Choose direct deposit (use an account you do not plan on closing; the department cannot change the account)
- Complete your return
- Include all documentation

#### What happens after I send my return? We will:

- Receive your return
- Check the return for accuracy
- Process your return
- Send your refund

Don't have a computer? You can call our automated phone line at 651-296-4444 or 800-657-3676 (toll free) to get the status of your refund.

### How the Department Protects your Information

Protecting your information and identity is a priority of the department. We have partnered with other states, the IRS, financial institutions, and tax preparation software vendors to combat fraud.

For more information about keeping your identity safe, go to:

- · www.revenue.state.mn.us and type Protecting Your Identity in the Search box
- www.irs.gov (Internal Revenue Service (IRS))
- www.ag.state.mn.us (Minnesota Attorney General's Office)

We will never ask you to provide, update, or verify personal information through unsolicited email or phone calls. Do not respond to such emails or phone calls.

If you are concerned about a potentially fraudulent contact by an individual or organization representing themselves as being from the department, call 651-296-3781 or 1-800-652-9094. An authorized department staff member can determine if the contact you received was legitimate.

## How do I avoid common errors?

- Enter your name and your dependents' names as they appear on Social Security cards.
- · Double-check bank routing and account numbers used on tax forms.
- · Complete each form and carry totals to the correct lines. If you electronically file, the calculations are done for you.
- File your return by April 17, 2018, even if you owe more than you can pay. Pay as much as you can by the due date, and continue to make payments until you are contacted by Department of Revenue Collections. At that point, they can help you set up a payment plan for the remaining balance.
- If you owe, make your payment electronically and pick when you want the payment submitted. For more information about making your
  payment electronically, visit our website.
- If you are paper filing with a new address, be sure to place an X in the "Place an X if a New Address" box in the header. If you move after filing, contact the Department of Revenue right away. That way anything we send to you will reach you, such as refund checks or requests for more information. You should do this even when requesting a direct deposit.
- · Do not staple or tape anything to your return. Use a paperclip.

# Did you purchase items over the Internet or through the mail this year?

If you purchased taxable items for personal use and did not pay sales tax, you may owe use tax. Generally, the use tax is the same rate as the state sales tax. If you live in a local tax area, include the use tax that is applicable to your local use tax.

### When do I owe use tax?

You may owe use tax if you purchase taxable item(s):

- · Over the Internet, by mail order, etc., and the seller doesn't collect Minnesota sales tax from you
- · In a state or country that does not collect Minnesota sales tax from you
- From an out-of-state seller who properly collects another state's sales tax at a rate lower than Minnesota's. (In this case, you owe the difference between the two rates.)

Add all of your taxable purchases. If they total more than \$770, file Form UT1, *Individual Use Tax Return*, by April 17 for all taxable items you purchased during the calendar year.

If your total purchases for personal use are less than \$770, you do not have to file and pay use tax.

To file online go to www.revenue.state.mn.us and type **Individual Use Tax** in the Search box. Click on **Individual Use Tax Return Online Filing System**. Follow the prompts to file your return.

Form UT1, *Individual Use Tax Return*, and Fact Sheet 156, *Use Tax for Individuals*, are available on our website or by calling 651-296-6181 or 1-800-657-3777 (toll-free).

### **Local Use Taxes**

If you buy taxable items for use in the cities and counties listed in Fact Sheet 164, *Local Sales and Use Taxes*, you must also pay local use taxes at the rates listed.

### **Information for your Federal Return**

### State Refund Information—Form 1040, Line 10

If you received a state income tax refund in 2017 and you itemized deductions on federal Form 1040 in 2016, you may need to report an amount on line 10 of your 2017 Form 1040. See the 1040 instructions for more information. The department does not mail Form 1099-G, *Certain Government Payments*, to most taxpayers.

To find out how much your Minnesota income tax refund was:

- · Review your records
- Go to www.revenue.state.mn.us and type 1099-G in the Search box
- Call 651-296-4444 or 1-800-652-9094 (toll-free)

### Deducting Real Estate Taxes—Schedule A, Line 6

You are allowed a tax deduction on federal Schedule A for real estate taxes you paid in 2017 if you did not receive a property tax refund for these taxes on 2016 Form M1PR, *Homestead Credit Refund (for Homeowners) and Renter Property Tax Refund*. If you received a property tax refund, subtract that amount from your property taxes paid when calculating your deduction.

### Deducting Vehicle License Fees—Schedule A, Line 7

Deduct part of your Minnesota vehicle license fee as personal property tax for passenger automobiles, pick-up trucks, and vans on line 7 of federal Schedule A of Form 1040. Other amounts, such as the plate fee and filing fee, are not deductible and cannot be used as an itemized deduction.

Calculate the allowed deduction by subtracting \$35 from your vehicle's registration tax for each vehicle you register.

To find the registration tax:

- Go to www.mndriveinfo.org and click on Tax Info
- Look at the vehicle registration renewal form issued by Driver & Vehicle Services

## **Filing Requirements**

### Who is required to file?

You are required to file a 2017 Minnesota income tax return if one or more of the following apply:

- You were a resident for the entire year in 2017 and had to file a federal income tax return
- · You were a part-year resident or nonresident and meet the requirements below
- · You qualify for and want to claim refundable credits

### **Minnesota Residents**

File a 2017 Minnesota income tax return if you were a Minnesota resident for the whole year and you were required to file a 2017 federal income tax return.

You are a Minnesota resident if either of the following apply:

- Minnesota was your permanent home in 2017
- Minnesota was your home for an indefinite period of time and you maintained an abode (house, townhouse, condominium, apartment, mobile home, or cabin, with cooking and bathing facilities in Minnesota, that could be lived in year-round) in Minnesota

For more information, see Income Tax Fact Sheet #1, Residency.

File a Minnesota return even if you are not required to file a federal return to:

- Claim refundable credits (K-12 Education, Working Family, Dependent Care, Parents of Stillborn Children)
- Get a refund if your employer withheld Minnesota income tax from your wages in 2017

### **Part-Year Residents**

File a Minnesota income tax return if you moved into or out of Minnesota during 2017 and meet the filing requirements for part-year residents. Complete Schedule M1NR, *Nonresidents/Part-Year Residents*, to determine income received while a Minnesota resident and income received from sources in Minnesota while a nonresident. Your Minnesota tax is based on that income.

#### Nonresidents

If you were a resident of another state but lived in Minnesota, file a Minnesota income tax return as a Minnesota resident if both of these conditions applied to you:

- · You were in Minnesota for 183 days or more during the tax year
- You or your spouse owned, rented, lived in, or leased an abode (house, townhouse, condominium, apartment, mobile home, or cabin, with cooking and bathing facilities in Minnesota, that could be lived in year-round)

If both conditions apply, you are considered a Minnesota resident for the length of time you maintained an abode in Minnesota.

File a Minnesota income tax return if you meet the filing requirements in the next section.

For more details, see Income Tax Fact Sheet #2, Part-Year Residents, and Income Tax Fact Sheet #3, Nonresidents.

### Filing Requirements for Part-Year Residents and Nonresidents

- 1 Determine your total income from all sources (including sources not in Minnesota) while a Minnesota resident.
- 2 Determine the total of the following types of income you received while a nonresident of Minnesota:
  - · Wages, salaries, fees, commissions, tips, and bonuses for work done in Minnesota
  - · Gross rents and royalties received from property located in Minnesota
  - · Gains from the sale of land or other tangible property in Minnesota
  - Gross winnings from gambling in Minnesota
  - · Gains from the sale of a partnership interest, to the extent the partnership had property or sales in Minnesota
  - · Gains reported on Schedule M1AR, Accelerated Recognition of Installment Sale Gains
  - Gains on the sale of goodwill or income from an agreement not to compete connected with a business operating in Minnesota
  - Minnesota gross income from a business or profession conducted partly or entirely in Minnesota. This is the amount from line 7 of federal Schedule C, line 1 of Schedule C-EZ, or line 9 of Schedule F of Form 1040. Gross income from a partnership, S corporation, or Trust or Estate is the amount on line 20 of Schedule KPI, line 20 of Schedule KS, or line 26 of Schedule KF.
- 3 Add step 1 and step 2. If the total is \$10,400 or more, you must file a Minnesota income tax return and Schedule M1NR.

If the result is less than \$10,400 and you had amounts withheld or paid estimated tax, file a Minnesota income tax return and Schedule M1NR to receive a refund.

Even if only one spouse has Minnesota income and you filed a joint federal return, you must file a joint Minnesota income tax return. Complete Schedule M1NR and include a copy of the schedule when you file your return.

## Filing Requirements (cont.)

### Michigan and North Dakota Residents

Minnesota has reciprocity agreements with Michigan and North Dakota. You are not subject to Minnesota income tax if, in 2017:

- · You were a full-year resident of Michigan or North Dakota and returned to your home state at least once a month
- Your only Minnesota income was from the performance of professional personal services (wages, salaries, tips, commissions, bonuses)

Complete Schedule M1M, *Income Additions and Subtractions*, to file for a refund of withholding if you are a resident of Michigan or North Dakota. For more information, see Income Tax Fact Sheet #4, *Reciprocity*.

Follow the steps below to complete your Form M1 and Schedule M1M:

- 1 Enter the appropriate amounts from your federal return on lines A–D and on line 1 of Form M1.
- 2 Skip lines 2 and 3 of Form M1.
- 3 Enter the amount from line 1 of Form M1 on line 25 of Schedule M1M and on line 6 of Form M1. Place an X in the box for line 25 of Schedule M1M to indicate the state of which you are a resident.
- 4 Complete the rest of Form M1. In addition to Schedule M1M, you must also complete and enclose Schedule M1W, *Minnesota Income Tax Withheld*, and a copy of your home state tax return.

### Do not complete Schedule M1NR.

If your wages are covered by reciprocity and you do not want your employer to withhold Minnesota tax in the future, file Form MWR, *Reciprocity Exemption/Affidavit of Residency*, each year with your employer.

If you are filing a joint return and only one spouse works in Minnesota under a reciprocity agreement, include both of your names, Social Security numbers, and dates of birth on your return.

If your gross income assignable to Minnesota from sources other than from the performance of personal services covered under reciprocity is \$10,400 or more, you are subject to Minnesota tax on that income. File a Minnesota income tax return and Schedule M1NR. You are not eligible to take the reciprocity subtraction on Schedule M1M.

## **Getting Started**

### What do I need?

- Your name and address
- Your Social Security number
- Your completed federal return
- Your date of birth

If you do not provide this information, your refund will be delayed, or if you owe tax, your payment may not be processed and you may have to pay a penalty for late payment.

If a paid preparer completed your return, include the federal preparer's ID number (PTIN).

Although not required on the return, we also ask for:

- A code number indicating a political party for the State Elections Campaign Fund if you would like to designate a contribution
- · Your phone number in case we have questions about your return
- The phone number of the person you paid to prepare your return

### Name and Address Area

Use all capital letters and black ink. Use your legal name. Do not enter a nickname. If you live outside of the United States, put an X in the box to the right of your address. Enter only one address - your home address OR your post office box.

If you are married and filing separate income tax returns, enter your spouse's name and Social Security number in the filing status area. Do not enter your spouse's name or Social Security number in the name and address area at the top of your return.

### **Federal Filing Status**

Use the same filing status to file your Minnesota return that you used to file your federal return. Put an X in the box for your filing status.

### **State Elections Campaign Fund**

If you want \$5 to go to help candidates for state office pay campaign expenses, choose the code number for your party. If you choose the general campaign fund, the \$5 will be distributed among candidates of all major parties listed. If you are filing a joint return, your spouse may also designate a party.

Designating \$5 will not reduce your refund or increase tax you owe.

### **Important Tips**

### When you fill out your form, print your numbers like this: 1 2 3 4 5 6 7 8 9 0

Do not put a slash through the "0" ( $\emptyset$ ) or "7" (7) or any other numbers.

**Use whole dollars.** Round the dollar amounts on your Form M1 and schedules to the nearest dollar. For example: 129.49 becomes 129, and 129.50 becomes 130.

Leave lines and unused boxes blank if they do not apply to you or if the amount is zero.

**Reporting a negative amount.** If your federal adjusted gross income on line D or the amounts on line 1, 4, or 12b are less than zero, put an X in the oval box provided next to the line. If you do not do this, the amount will be read by our scanners as a positive amount. **Do not** use parentheses or a minus sign to indicate a negative amount.

**Do not write extra numbers, symbols, or notes** on your return, such as cents, dashes, decimal points, or dollar signs. Enclose any explanations on a separate sheet, unless you are instructed to write explanations on your return.

Do not staple or tape any enclosures to your return. If you want to ensure your papers stay together, use a paperclip.

**Reminder:** Review your return before signing. You are legally responsible for all information on your return, even if you paid someone to prepare it for you.

## **Filing Instructions**

### When do I file and pay?

Your 2017 Minnesota income tax return should be postmarked, brought to, or electronically filed with the Department of Revenue by April 17, 2018. Your tax payment is due in full by April 17, 2018, even if you file your return later. If you file your tax return according to a fiscal year, your tax payment and return are due the 15th day of the fourth month after the end of your fiscal year.

### How do I pay my tax if I file after April 17?

If you are unable to complete and file your return by the due date, you may avoid a late payment penalty and interest by paying your tax by April 17. Estimate your total tax and pay the amount you owe electronically, by check, credit, or debit card. If you pay by check, you must send your tax payment with a completed voucher from our website. To avoid a late filing penalty, file your return by October 15, 2018. See page 19 for payment options.

### Do I have to sign and date my return?

Yes. An unsigned paper return is not considered valid. If you are married and filing a joint return, both spouses must sign. You may be subject to interest and penalties if you fail to sign. If you paid someone to prepare your return, that person must also sign and provide their federal preparer ID number.

### Do I have to file electronically?

No. If you do not want your preparer to file your return electronically, check the appropriate box at the bottom of the return. Preparers who filed more than 10 Minnesota returns last year are required to electronically file all Minnesota returns, unless you indicate otherwise.

### Where do I file paper returns?

If you are filing a paper return, read page 8. **If you do not follow the instructions on that page, your return and refund will be delayed.** Send your Minnesota income tax return, including all completed Minnesota schedules, and your federal return and schedules in the printed envelope included in this booklet. If you don't have the printed envelope, mail your forms to:

Minnesota Individual Income Tax Mail Station 0010 St. Paul, MN 55145-0010

### What do I include when I mail my return?

Include your Form M1, all the Minnesota schedules you are required to complete, and a complete copy of your 2017 federal return and all schedules.

If you do not enclose the required documentation, the department may send your return back to you. Make copies of all your forms and schedules. Keep the copies and your W-2 forms with your tax records at least through 2022.

You will be charged a fee for copies of your forms from the department.

Also, if you claimed the K-12 Education Subtraction or Credit or Dependent Care Credit keep your original receipts and all other documentation to prove your qualifying expenses. Keep this documentation with your tax records.

- Minnesota tax wasn't withheld from your earnings
- Your income includes pensions, commissions, dividends or other sources not subject to withholding

Once you choose to apply all or part of your 2017 refund to your 2018 estimated tax, it cannot be changed.

<ul> <li>2. Late payment penalty* Multiply step 1 by 4% (.04)</li></ul>
5. Add steps 1 through 4
6. Number of days the tax is late **
7. Enter the applicable interest rate. For 2018, the rate is 4% (.04)
8. Multiply step 6 by step 7
9. Divide step 8 by 365 (carry to five decimal places)
10. Interest. Multiply step 5 by step 9

*If you are filing your return after April 17, 2018, and paid at least 90% of your total tax by the due date, you will not be charged the late payment penalty if you file your

return and pay any remaining tax by October 15, 2018.

\*\*If the days fall in more than one calendar year, determine steps 6 through 10 separately for each year.

## **Other Information**

### **Penalties and Interest**

Is there a penalty for filing late? There is no late filing penalty if your return is filed within six months of the due date,which is October 15 for most individuals. If your return is not filed within six months, a 5 percent late filing penalty will be assessed on the unpaid tax.

Most individuals must pay by April 17, even if you filed an extension for your federal return. If you cannot pay the full amount due, file your return and pay as much as you can by the due date to reduce your penalty.

#### Is there a penalty for paying late?

We will charge a 4 percent late payment penalty of the unpaid amount due if the tax you owe is not paid by the due date.

We will charge an additional 5 percent penalty on the unpaid tax if you pay your tax 181 days or more after filing your return.

Use the worksheet on page 19 to determine penalties you owe if you file or pay late.

### Are there other penalties?

We will charge a fraud penalty equal to 50 percent of a fraudulently claimed refund if you claim a refund you do not qualify for.

Civil and criminal penalties can be charged for:

- Failing to include all taxable income
- Errors due to intentionally disregarding the income tax laws
- Filing a frivolous return
- Knowingly or willfully failing to file a Minnesota return
- Evading tax
- Filing a false or fraudulent return

### How is interest on late payments calculated?

Interest will be charged on any unpaid tax and penalty after April 17, 2018. The interest rate is determined each year. The interest rate for 2018 is 4 percent. Use the worksheet on page 19 to calculate interest you owe.

### **Separation of Liability**

You may be eligible for the Separation of Liability Program if you filed a joint return, are no longer married, and you still owe part of the joint liability. For information, write to:

Minnesota Revenue Attn: Separation of Liability Program Individual Income Tax Division Mail Station 7701 St. Paul, MN 55146-7701

### Filing on Behalf of a Deceased Person

For more information, see Income Tax Fact Sheet #9, *Filing on Behalf of a Deceased Taxpayer*.

If a person died before filing a 2017 tax return and had income that meets the minimum filing requirement for 2017, the spouse or personal representative must file a Minnesota income tax return for the deceased person. The return must have the same filing status that was used to file the decedent's federal return.

To file a Minnesota income tax return for a deceased person, enter the decedents name and your name on the return and print "DECD" and the date of death after the decedent's last name.

### Claiming a Refund on Behalf of a Deceased Person

If you are the decedent's spouse and you are using the joint filing method, the department will send you the refund.

If you are the personal representative, you must include a copy of the court document appointing you as personal representative with the decedent's return. You will receive the decedent's refund on behalf of the estate.

If no personal representative has been appointed for the decedent and there is no spouse, complete Form M23, *Claim for a Refund for a Deceased Taxpayer*, and include it with the decedent's Minnesota income tax return.

### Amending your Return/ Reporting Federal Changes

You have 3 ½ years from the return due date to amend an original return to claim a refund. Use Minnesota Form M1X.

You have 180 days from receiving notification of the change to amend your Minnesota return if:

- The Internal Revenue Service (IRS) changes your federal return
- You amend your federal return and it affects your Minnesota return

If the IRS changes your return and the changes do NOT affect your Minnesota return you have 180 days to send a letter of explanation to the department.

You will be assessed a 10 percent penalty on any additional tax and the department will have 6 additional years to audit your return if you fail to report federal changes within 180 days.

Send your letter and a complete copy of your federal amended return or the correction notice you received from the IRS to:

Minnesota Revenue Mail Station 7703 St. Paul, MN 55146-7703

### **Power of Attorney**

The department cannot share your private information without your permission. To give us permission to talk to an attorney, accountant, tax return preparer, or any other person, sign Form REV-184, *Power of Attorney*. The person you appoint will be able to perform any acts you can perform when dealing with the department if given permission. You can also limit the representative's authority to specific powers, such as representing you during the audit process.

### **Taxpayer Rights Advocate**

If you have tax problems and have not been able to resolve them through normal channels, you may contact the Taxpayer Rights Advocate. Write to:

## **Military Personnel**

#### Am I a Minnesota resident?

If you are a resident when you enlist, you remain a Minnesota resident until you establish domicile somewhere else. Do not complete Schedule M1NR, *Nonresidents and Part-year Residents*, unless you (or your spouse) are a part-year resident of Minnesota or you (or your spouse) are a nonresident.

Military personnel who are part-year residents or nonresidents: When determining if you are required to file a Minnesota return using the steps on page 6, do not include:

- Active duty military pay for service outside Minnesota in step 1
- Active duty military pay for service in Minnesota in step 2

**Resident military spouses:** If you are the spouse of an active duty military member who is stationed outside of Minnesota, all income you earned in another state is assignable to Minnesota.

**Nonresident military spouses:** You may be exempt from Minnesota tax on personal service income from services performed in Minnesota if you meet all of the following requirements:

- The servicemember was present in Minnesota in compliance with military orders
- The servicemember was domiciled in a state other than Minnesota
- The spouse was in Minnesota solely to be with the servicemember
- The spouse had the same state of residency or domicile as the servicemember

### Subtractions

Minnesota residents who are in the military can take a subtraction for military pay if included in federal taxable income, including Active Guard Reserve (AGR) Program pay earned under Title 32. Use Schedule M1M to claim these subtractions.

Civilian employees of the military or state military employees cannot take this subtraction regardless of where this income was earned.

If you had nonmilitary income taxed by another state while you were a Minnesota resident, you may qualify for a credit for taxes paid to another state (see Schedule M1CR, *Credit for Income Tax Paid to Another State*, or Schedule M1RCR, *Credit for Taxes Paid to Wisconsin*).).

#### **Military Pensions**

Certain types of military pensions or other military retirement pay may be subtracted from taxable income. To claim this subtraction, the qualifying income must be included in federal taxable income. The subtraction for tax year 2017 is reported on line 32 of Schedule M1M, *Income Additions and Subtractions*. If this subtraction is claimed, the nonrefundable credit for past military service cannot be claimed.

### Did you serve in a Combat Zone at any time during 2017?

You are eligible for a credit of \$120 for each month you served in a combat zone or hazardous duty area if Minnesota is your state of legal residence (domicile). You can claim this credit for months served in years 2015, 2016, and 2017. Complete Form M99, *Credit for Military Service in a Combat Zone*, and mail it to the department with the required information listed on Form M99.

To download Form M99, go to www.revenue.state.mn.us.

### Extensions

If you are active duty military in a presidentially designated combat zone or contingency operation, you may file and pay your Minnesota income taxes up to 180 days after the last day you are in the combat zone or the last day of any continuous hospitalization for injuries sustained while serving in the combat zone. When you file your Minnesota income tax return, enclose a separate sheet stating that you were serving in a combat zone.

If you are stationed outside the United States but not involved in combat zone operations, you have until October 15 to file your return but must pay any tax owed by April 17.
