make it on easy yourself...

Make our website your starting point for e-filing both your state and federal income tax returns!

www.revenue.state.mn.us

Over 80 percent of Minnesota taxpayers e-file because it:

- increases the accuracy of their returns;
- provides for faster refunds;
- checks for mathematical errors; and
- provides confirmation notices.

Most e-file programs guide you through a simple question-and-answer process, and help you to discover every possible deduction, exemption or credit for which you qualify. Examples of Minnesotans who may be entitled to important tax benefits for 2011 include members of the military who have served in a combat zone or hazardous-duty area and parents of students in grades K-12.

For more information about electronic filing and answers to all of your tax-related questions, visit www.revenue.state.mn.us.

What's New for 2011?

Federal Update Legislation

Minnesota has adopted all of the Internal Revenue Code (IRC) changes made to “federal taxable income” from March 18, 2010, through April 14, 2011, effective the same date as the federal changes.

Even though all the changes were adopted for the definition of federal taxable income — which is the starting point on the Minnesota return — the following modifications are added to federal taxable income to arrive at Minnesota taxable income (see instructions for Schedule M1M, *Income Additions and Subtractions*, included in this booklet):

- The increase in the federal standard deduction for married taxpayers — If you took the standard deduction on your federal return and are filing: (1) married filing joint or qualifying widow(er), you are required to add back \$1,950; or (2) married filing separate, you are required to add back \$975.
- The limitation on itemized deductions — If your adjusted gross income exceeds the applicable threshold (e.g., \$84,775 for married filing separate or \$169,550 for all other filers), you are required to add back the amount that would have been limited under prior federal law for itemized deductions.
- The phase out of personal and dependent exemptions — If your adjusted gross income exceeds the applicable threshold (e.g., \$254,350 for married filing joint; \$211,950 for head of household; \$169,550 for single; and \$127,175 for married filing

separate), you are required to add back the amounts that would have been phased out when determining personal exemptions under prior federal law.

In addition, several modifications that Minnesota did not conform to in the past were fully adopted or no longer apply at the federal level. Beginning with tax year 2011, the following lines have been removed from Schedule M1M:

- the additional standard deduction for real estate taxes and/or motor vehicle sales tax;
- the educator expenses and college tuition and fees deduction; and
- discharge of indebtedness income addition.

Important note: Minnesota continues to require an 80 percent addback for bonus depreciation and section 179 expensing of business property.

Political Contribution Refund Suspended Another Two Years

The Political Contribution Refund has been suspended. No refunds will be issued.

Minnesota/Wisconsin Income Tax Reciprocity Benchmark Study

A 2011 law requires the Minnesota Department of Revenue, in conjunction with the Wisconsin Department of Revenue, to conduct a study using information from the 2011 income tax returns of each state. The study must determine the number of

residents of each state who earned personal service income in the other state and the total amount of that income earned in the other state. The study must also determine the change in tax revenue in each state if an income tax reciprocity agreement were resumed between Minnesota and Wisconsin.

To help us gather the necessary information, a section has been added to Form M1 for Minnesota and Wisconsin residents who worked in the other state to provide additional information.

For instructions on completing the reciprocity study section on Form M1, see page 17 of this instruction booklet.

Marriage Credit Reported on New Schedule M1MA

Starting with tax year 2011, the marriage credit will be calculated and reported on Schedule M1MA, *Marriage Credit*. This schedule replaces the worksheet for calculating this credit that was previously included in this booklet.

New Website

A new Department of Revenue website will be launched in mid-2012. The redesigned website will feature simple navigation and better design, allowing users to get information they need as quickly as possible.

The new link is www.revenue.state.mn.us. Until the new site is launched both the new link (www.revenue.state.mn.us) and old link (www.taxes.state.mn.us) will direct visitors to the current site.

General Information

You must file a Minnesota Form M1, Individual Income Tax Return, if you are a:

- Minnesota resident required to file a federal income tax return; or
- part-year resident or nonresident of Minnesota and you have Minnesota gross income of \$9,500 or more.

Filing Requirements and Residency

Minnesota Residents

If you were a resident of Minnesota for the entire year and are required to file a 2011 federal income tax return, you must also file a 2011 Minnesota Form M1.

If you are not required to file a federal return, you are not required to file a Minnesota return. However, you must file a Minnesota return in order to:

- claim refundable credits for which you may qualify (the K–12 Education, Working Family or Child Care Credits, etc.); or
- receive a refund if your employer withheld Minnesota income tax from your wages in 2011.

Did You Move Into or Out of Minnesota During the Year?

If you moved into or out of Minnesota in 2011, you must file Form M1 if you meet the filing requirements for part-year residents.

When you file, also complete Schedule M1NR, *Nonresidents/Part-Year Residents*, to determine income received while a Minnesota resident and income received from sources in Minnesota while a nonresident. Your Minnesota tax is based on that income.

If you considered Minnesota your permanent home in 2011, or for an indefinite period of time, you were a resident for 2011.

For more information, see Income Tax Fact Sheet #1, *Residency*.

Were You a Resident of Another State and Lived in Minnesota?

If you were a resident of another state, you may be required to file Form M1 as a Minnesota resident if both of these conditions applied to you:

- 1 you were in Minnesota for 183 days or more during the tax year; and
- 2 you or your spouse owned, rented or leased a house, townhouse, condominium, apartment, mobile home or cabin with cooking and bathing facilities in Minnesota, and it could be lived in year-round.

If both conditions apply, you are considered a Minnesota resident for the length of time the second condition applies. If the second condition applied for the entire year, you are considered a full-year Minnesota resident for income tax purposes. If it applied for less than the full year, you are considered a part-year resident, and you must file Form M1 if you meet the filing requirements explained in the next section.

If you were a resident of another state, but the conditions did not apply to you in 2011, you were a nonresident of Minnesota for income tax purposes. However, you must file Form M1 if you meet the filing requirements in the next section.

For further details, see Income Tax Fact Sheet #2, *Part-Year Residents*, and Income Tax Fact Sheet #3, *Nonresidents*.

Filing Requirements for Part-Year Residents and Nonresidents

- 1 Determine your total income from all sources (including sources not in Minnesota) while a Minnesota *resident*.
- 2 Determine the total of the following types of income you received while a *nonresident* of Minnesota:
 - wages, salaries, fees, commissions, tips or bonuses for work done in Minnesota
 - gross rents and royalties received from property located in Minnesota
 - gains from the sale of land or other tangible property in Minnesota
 - gains from the sale of a partnership interest, to the extent the partnership had property or sales in Minnesota
 - gain on the sale of goodwill or income from an agreement not to compete connected with a business operating in Minnesota
 - Minnesota gross income from a business or profession conducted partly or

Information for Your Federal Return

State Refund Information—Form 1040, line 10

The Department of Revenue does not mail Form 1099-G, *Certain Government Payments*, to taxpayers.

If you received a state income tax refund in 2011 and you itemized deductions on federal Form 1040 in the year you paid the tax, you may need to report an amount on line 10 of your 2011 Form 1040. See the 1040 instructions for more information.

To determine the Minnesota income tax refund you received:

- go to www.revenue.state.mn.us; or
- call our automated phone system at 651-296-4444 or 1-800-657-3676; or
- review your records.

Deducting Vehicle License Fees—Schedule A, Line 7

If you itemize on your 2011 federal return, only a portion of your Minnesota vehicle license fee is deductible as personal property tax on line 7 of federal Schedule A of Form 1040. The deduction is allowed only for passenger automobiles, pickup trucks and vans.

To determine line 7 of Schedule A (1040), you must subtract \$35 from your vehicle's *registration tax*.

To find the registration tax:

- go to www.mndriveinfo.org and click on "Tax Info," or
- look at the vehicle registration renewal form issued by Driver & Vehicle Services.

If you own more than one vehicle, subtract \$35 from the registration tax shown for each vehicle.

Other amounts, such as the plate fee and filing fee, are not deductible and cannot be used as an itemized deduction.

entirely in Minnesota (*Gross income is income before any deductions or expenses*). This is the amount from line 7 of federal Schedule C, line 1d of Schedule C-EZ or line 9 of Schedule F of Form 1040. Gross income from a partnership or S corporation is the amount on line 21 of Schedule KPI or line 21 of Schedule KS.

General Information *(continued)*

- gross winnings from gambling in Minnesota
- 3 Add step 1 and step 2. If the total is \$9,500 or more, you must file Form M1 and Schedule M1NR.

If the result is less than \$9,500 and you had amounts withheld or paid estimated tax, you must file Form M1 and Schedule M1NR to receive a refund.

If only one spouse is required to file a Minnesota return and you filed a joint federal return, you must file a joint Form M1. Complete Schedule M1NR and include a copy of the schedule when you file your return.

Michigan and North Dakota Residents

Minnesota has reciprocity agreements with Michigan and North Dakota. If both of the following conditions applied to you in 2011, you are not subject to Minnesota income tax:

- you were a full-year resident of Michigan or North Dakota who returned to your home state at least once a month; and

- your only Minnesota income was from the performance of personal services (wages, salaries, tips, commissions, bonuses).

For more information, see Income Tax Fact Sheet #4, *Reciprocity*.

If you are a resident of Michigan or North Dakota and your only Minnesota source income is wages covered under reciprocity from which Minnesota income tax was withheld, complete Schedule M1M to get a refund of the amount withheld.

When you file:

- 1 Enter the appropriate amounts from your federal return on lines A–D and on line 1 of Form M1.
- 2 Skip lines 2 through 5 of Form M1.
- 3 Enter the amount from line 1 of Form M1 on line 25 of Schedule M1M and on line 6 of Form M1. Place an X in the box on line 25 of Schedule M1M to indicate the state of which you are a resident.
- 4 Complete the rest of Form M1.

In addition to Schedule M1M, you must also complete and enclose Schedule M1W,

Minnesota Income Tax Withheld, Form MWR, *Reciprocity Exemption/Affidavit of Residency*, and a copy of your home state tax return. **Do not** complete Schedule M1NR.

If your wages are covered by reciprocity and you *do not* want your employer to withhold Minnesota tax in the future, file Form MWR each year with your employer.

If you are filing a joint return and only one spouse works in Minnesota under a reciprocity agreement, you still must include both of your names, Social Security numbers and dates of birth on your return.

If your gross income assignable to Minnesota from sources other than from the performance of personal services covered under reciprocity is \$9,500 or more, you are subject to Minnesota tax on that income. You must file Form M1 and Schedule M1NR. You are not eligible to take the reciprocity subtraction on Schedule M1M.

Members of the Armed Forces

If you are a Minnesota resident, you must file a Minnesota return as a resident, regardless of where you were stationed during the year. However, if your gross income included on your federal return, minus any compensation received for active duty, is less than \$9,500, you are not required to file a Minnesota return.

For more information, see Income Tax Fact Sheet #5, *Military Personnel*.

Military personnel who are part-year residents or nonresidents: When determining if you are required to file a Minnesota return using the steps on page 4, do not include:

- active duty military pay for service *outside* Minnesota in step 1; or
- active duty military pay for service *in* Minnesota in step 2.

Resident military spouses: If you are the spouse of an active duty military member who is stationed outside of Minnesota, any income you earned in the other state is assignable to Minnesota.

Nonresident military spouses: Nonresident military spouses may be exempt from Minnesota tax on personal service income performed in Minnesota if all of the following requirements were met:

- The servicemember was present in Minnesota in compliance with military orders;
- The servicemember was a resident or domiciled in a state other than Minnesota;
- The spouse was in Minnesota solely to be with the servicemember; and
- The spouse had the same state of residency or domicile as the servicemember.

Military extensions. Military personnel serving in, or in support of, presidentially declared combat zones are allowed the same extensions of time to file and pay their state income taxes as they are allowed for federal taxes. When you file Form M1, enclose a separate sheet stating you were serving in a combat zone.

Did You Serve in a Combat Zone at Any Time During 2011?

If so, you are eligible for a credit of \$120 for each month or part of a month you served in a combat zone or hazardous duty area and Minnesota was your home of record.

To claim the credit, complete Form M99, *Credit for Military Service in a Combat Zone*. To download this form, go to www.revenue.state.mn.us.

General Information *(continued)*

Due Date for Filing and Paying is April 17

Your 2011 Minnesota Form M1 must be postmarked by, brought to, or electronically filed with the Department of Revenue no later than April 17, 2012. If you file your tax return according to a fiscal year, you have until the 15th day of the fourth month after the end of your fiscal year to file your return.

Your tax payment is due in full by April 17, 2012, even if you file your return after the due date.

For fiscal year filers, your tax payment is due on the 15th day of the fourth month after the end of your fiscal year.

Paying Your Tax When Filing Your Return After April 17

If you are unable to complete and file your return by the due date, you may avoid penalty and interest by paying your tax by April 17. Estimate your total tax and pay the amount you owe electronically, by check or by credit or debit card.

If you pay by check, you must send your tax payment with a completed Form M13, *Income Tax Extension Payment*, by April 17. Do not send in an incomplete Form M1.

To avoid a late filing penalty, you must file your return by October 15, 2012.

Payment Options

Pay Electronically

You can pay your tax electronically—even if you file a paper return—using the department's system. There is no charge to you for using this service.

To pay electronically:

- go to www.revenue.state.mn.us, and click "Make a payment" from the e-Services menu; or
- call **1-800-570-3329** to pay by phone.

Follow the prompts for individuals to make a payment. When paying electronically, you must use an account not associated with any foreign banks.

You will be given a confirmation number and a date stamp when the transaction is successfully completed. Save this information with your tax records.

Pay by Credit or Debit Card

You may pay the amount you owe through Official Payments Corporation, a national credit/debit card payment service.

You will be charged a fee to use this service.

Have your Visa, MasterCard, American Express or Discover/Novus credit or debit card ready, and:

- go to www.officialpayments.com; or
- call 1-800-2PAY-TAX (1-800-272-9829).

When asked for the jurisdiction number, enter **3300**. (All taxpayers paying current year Minnesota individual income tax must use this number.)

At the end of your call or website visit, you will be given a confirmation number. Write down and save this confirmation number with your records. Your payment will be effective on the date you made the request.

Pay by Check or Money Order

Complete the Form M60, *Income Tax Return Payment Voucher*, which is included in this booklet, and send it with your check made payable to Minnesota Revenue to the address provided on the voucher.

If you are filing a paper Form M1, send the voucher and your check *separately* from your return to ensure that your payment is properly credited to your account.

Your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

Payment Plans

If you owe taxes, pay as much as you can afford when you file your tax return. If you cannot pay in full by the filing due date, make monthly payments using the M60 payment voucher until you receive a bill. After you receive the bill, you can request a payment plan by contacting the Collection Division at 651-556-3003 or 1-800-657-3909 or apply online at www.revenue.state.mn.us.

All payment plans are subject to a \$50 nonrefundable fee.

You can find additional payment plan information at www.revenue.state.mn.us.

Penalties and Interest

Late Payment Penalty

Your tax is due on the due date of your return—April 17 for most individuals—even if you have an extension to file your federal return.

If you pay all or part of your tax after the due date, a penalty of 4 percent will be assessed on the unpaid amount.

If you pay your tax 181 days or more after filing your return, you will be assessed an additional 5 percent penalty on the unpaid tax.

If you are unable to pay the full amount due, file your return and pay as much as you can by the due date to reduce your penalty.

Late Filing Penalty

There is no late filing penalty if your return is filed within six months of the due date, which is October 15 for most individuals. If your return is not filed within six months, a 5 percent late filing penalty will be assessed on the unpaid tax.

Penalty for Fraudulently Claiming a Refund

If you file a return fraudulently claiming a refund, you will be assessed a penalty equal to 50 percent of the fraudulently claimed refund.

Continued

General Information *(continued)*

Other Civil and Criminal Penalties

There are penalties for failing to include all taxable income, for errors due to intentionally disregarding the income tax laws, and for filing a frivolous return.

Also, there are civil and criminal penalties for knowingly or willfully failing to file a Minnesota return, for evading tax and for filing a false or fraudulent return.

Interest

Interest will be assessed after April 17, 2012, on any unpaid tax and penalty. The interest rate is determined each year.

The interest rate for 2012 is 3 percent.

Where to File Paper Returns

If you are filing a paper return, mail your Form M1, including all completed Minnesota schedules, and your federal form and schedules in the printed envelope included in this booklet. If you don't have the printed envelope, mail your forms to:

Minnesota Individual Income Tax
Mail Station 0010
St. Paul, MN 55145-0010

Use Enough Postage

To avoid having the U.S. Postal Service return your income tax forms to you for more postage, include enough postage on your envelope. If you enclose more than three sheets of paper, you will probably need additional postage.

Estimated Payments

If You Expect to Owe \$500 or More, or Minnesota Tax Wasn't Withheld

If your income includes pensions, commissions, dividends or other sources not subject to withholding, you may be required to pay Minnesota estimated income tax payments.

You must pay estimated tax if you expect to owe \$500 or more in Minnesota tax for 2012 after you subtract the amounts of any:

- Minnesota income tax you expect to be withheld from your income for 2012; and
- credits (amounts reported on Form M1, lines 25 through 28) you expect to receive for 2012.

See *Individual Estimated Tax Payments Instructions* on our website for details on how to estimate and pay your tax.

To pay electronically:

- go to www.revenue.state.mn.us, and click "Make a payment" from the e-Services menu; or
- call 1-800-570-3329 to pay by phone.

You can schedule all four payments at one time. You must use an account not associated with a foreign bank.

If you want to pay by credit or debit card, see *Payment Options* on page 6.

If you pay by check, you must send your payment with a completed Form M14. Use the personalized M14 vouchers you may have received from the department or those provided by your tax preparer or software program to ensure your payments are credited properly to your account.

Your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

Reporting Federal Changes

If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return and it affects your Minnesota return, you have 180 days to amend your Minnesota return. File Form M1X, *Amended Minnesota Income Tax Return*, within 180 days after you were notified of the final changes by the IRS or after you filed your federal amended return.

If the changes do not affect your Minnesota return, you have 180 days to send a letter of explanation to the department. Send your letter and a complete copy of your federal amended return or the correction notice you received from the IRS to:

Minnesota Revenue
Mail Station 7703
St. Paul, MN 55146-7703

If you fail to report the federal changes as required, a 10 percent penalty will be assessed on any additional tax. In this situation, the department will have up to six additional years to audit your return.

If You Need to Correct Your Original Minnesota Return

If you are amending your original return, you must file Form M1X within 3½ years of the due date of your original Minnesota return to claim a refund. Do not file a corrected Form M1 for the same year.

Filing on Behalf of a Deceased Person

If a person received income in 2011 that meets the minimum filing requirement and died before filing a return, the spouse or personal representative should file Form M1 for the deceased person. The return must use the same filing status that was used to file the decedent's federal return.

If you are filing Form M1 for a deceased person, enter the decedent's name and your address in the name and address section. Print "DECD" and the date of death after the decedent's last name.

For more information, see Income Tax Fact Sheet #9, *Filing on Behalf of a Deceased Taxpayer*.

General Information *(continued)*

Claiming a Refund on Behalf of a Deceased Person

If you are the decedent's spouse and you are using the joint filing method, the department will send you the refund.

If you are the personal representative, you must include with the decedent's return a copy of the court document appointing you as personal representative. You will receive the decedent's refund on behalf of the estate.

If no personal representative has been appointed for the decedent and there is no spouse, you must complete Form M23, *Claim for a Refund Due a Deceased Taxpayer*, and include it with the decedent's Form M1.

For more information, see Income Tax Fact Sheet #9, *Filing on Behalf of a Deceased Taxpayer*.

Power of Attorney

The department is prohibited by law from disclosing your private information. If you want to grant power of attorney to an attorney, accountant, agent, tax return preparer or any other person as an attorney-in-fact, complete Form REV184, *Power of Attorney*. The person you appoint will be able to perform any and all acts you can perform for purposes of dealing with the department. If you wish, you may limit the authority to specific powers, such as representing you during an audit process.

If You are Divorced, Widowed or Legally Separated and Still Owe a Joint Liability

If in the past you filed a joint return with a former spouse and you still owe part of the joint liability, you may be eligible for the Separation of Liability Program.

For information, write to:

Minnesota Revenue
Attn: Separation of Liability Program
Individual Income Tax Division
Mail Station 7701
St. Paul, MN 55146-7701

St. Paul, MN 55107-7335

Required Information

You must provide by Minnesota law (M.S. 289A.08, subd. 11) your Social Security number, date of birth and all other information in order to properly identify you and to determine your correct tax liability. If you don't provide it, the department will return your form to you. This will delay your income tax refund or if you owe tax, your payment will not be processed and you may have to pay a penalty for late payment.

If the return was completed by a paid preparer, include the identification number of the preparer. The preparer is subject to a penalty if the identification number is omitted.

Information Not Required

Although not required on Form M1, we ask for:

- a code number indicating a political party for the State Elections Campaign Fund;
- your daytime telephone number in case there are questions about your return; and
- the telephone number of the person you paid to prepare your return.

Use of Information

All information you enter on your income tax return is private. The department will use the information to determine your tax liability and may include the information as part of tax research studies. The information may also be used to verify the accuracy of any tax returns you file with the department.

Also, according to state law, the department may share and/or match some or all of the information, including your Social Security number, with:

Did You Purchase Items Over the Internet or Through Mail Order This Year?

Minnesota Use Tax

If you purchased taxable items for your own use without paying sales tax, you probably owe use tax. The use tax is the same rate as the state sales tax.

Here are some cases when use tax is due:

- You buy taxable items over the Internet, by mail order, from a shopping channel, etc., and the seller doesn't collect Minnesota sales tax from you.
- A seller in another state or country does not collect any sales tax from you on a sale of an item that is taxed by Minnesota.
- An out-of-state seller properly collects another state's sales tax at a rate lower than Minnesota's. In this case, you owe the difference between the two rates.

If your total purchases subject to use tax are less than \$770 in a calendar year, you are not required to file a use tax return. This exemption applies only to items for personal use, not to items for business use.

If your total purchases subject to use tax are \$770 or more, you owe use tax on all taxable items purchased during the year. File and pay your use tax by April 15 following the year of purchase. To do so:

- Go to www.revenue.state.mn.us and login. Enter your Social Security number and click on "Individual use tax," or
- File a paper Form UT1, *Individual Use Tax Return*.

Form UT1 and Fact Sheet 156, *Use Tax for Individuals*, are available on our website or by calling 651-296-6181 or 1-800-657-3777.

Local Use Taxes

If you buy taxable items for use in the cities and counties listed in below, you must also pay local use taxes at the rates listed.

Local Use Tax Rates

Minnesota/Wisconsin Reciprocity Benchmark Study

Wisconsin Residents Working in Minnesota; Minnesota Residents Working in Wisconsin

On the front of Form M1 are two questions related to personal service income of residents of one state who worked in the other state. (The questions appear below the federal filing status information, near the top of the form.) Provide the requested information if you are:

- a Wisconsin resident who worked in Minnesota in 2011; or
- a Minnesota resident who worked in Wisconsin in 2011.

If you and/or your spouse earned personal service income in one state while a resident of the other state, check “yes” to the appropriate question. Enter the amount of personal service income earned in the other state. If you and your spouse each had personal service income in the other state, enter the total amount for both spouses. If only a portion of your income was earned in the other state, enter that amount.

Personal service income includes income earned as an employee, independent contractor, self-employed person or partner, as long as you personally performed the service in the other state. The income can be in the form of wages, salaries, tips, commissions, bonuses, fees or similar compensation. It can also be net income from federal Schedule C or a guaranteed payment and/or distributive share from a partnership on Schedule E.

Include the following as personal service income earned in the other state:

- Income from work done at your employer’s location in the other state, such as at an office, factory, restaurant, store, clinic or similar place of employment.
- Income from work done at various locations in the other state, such as a job site, construction site or a customer’s location, including income from service performed as a plumber, carpenter, repairman, consultant, traveling salesperson, life insurance agent, real estate agent or professional, such as a doctor or lawyer.

Do not include the following as personal service income earned in the other state:

- Income earned as an interstate truck driver, railroad worker, airline employee or member of the military.
- Pensions and annuities; unemployment compensation.
- Rental income, royalties, capital gains, interest and dividends.
- Income earned as a self-employed person and/or partnership income if the income results mostly from the sale of goods or from the services of employees.

How to Complete a Paper Return

Form M1 is Scannable

The Department of Revenue uses scanning equipment to capture the information from paper income tax returns. It is important that you follow the instructions below so your return is processed quickly and accurately.

- (A) Use black ink** to enter the numbers inside the boxes. **Do not highlight** numbers, as this prevents the equipment from reading the numbers.
- (B) Please print and use CAPITAL LETTERS** when entering your name, your spouse's name and current address. Capital letters are easier to recognize.
- (C) Print your numbers like this:**

1 2 3 4 5 6 7 8 9 0

Note: Do not put a slash through the "0" (Ø) or "7" (7); it may be read as an "8."

- (D) Use whole dollars.** You must round the dollar amounts on your Form M1 and schedules to the nearest dollar. Drop amounts less than 50 cents and increase amounts 50 cents or more to the next dollar. For example: 129.49 becomes 129, and 129.50 becomes 130.
- (E) Leave lines blank** if they do not apply to you or if the amount is zero. Leave unused boxes blank.
- (F) Place an X in an oval box like this:**
- (G) Reporting a negative amount.** If your federal adjusted gross income on line D or the amounts on line 1, 4 or 12b are negative amounts (losses), place an X in the oval box provided on the line (see example below). Failure to do so will result in the loss being read by our processing equipment as a positive amount. **Do not** use parentheses or a minus sign to indicate a negative amount.

▼ If a negative number, place an X in oval box.
 1 2 3 4 5 . 00

- (H) Do not write extra numbers, symbols or notes** on your return, such as cents, dashes, decimal points or dollar signs. Enclose any explanations on a separate sheet, unless you are instructed to write explanations on your return.
- (I) Do not staple or tape any enclosures to your return.** If you want to ensure your papers stay together, use a paper-clip.

14 Tax before credits. Add lines 12 and 13.

Do you want to throw this form away? You can, if you file electronically. See page 2 for details.

Important Reminders

Enclose Schedule M1W When Required

If you are claiming Minnesota income tax withheld on line 23 of your Form M1, you must complete and enclose Schedule M1W with your return. If the schedule is not enclosed, processing of your refund will be delayed, and the department may disallow the amount of your withholding.

Also, **do not send in your W-2, 1099 or W-2G forms.** Keep these forms with your tax records and save your 2011 tax records at least through 2015. The department may ask you to show these records if there is any question.

If You Pay Your Tax With a Check

If you owe an amount on line 32 of Form M1 and you pay by check, you must complete a Form M60 payment voucher, which is included in this booklet. If you are filing a paper Form M1, send the voucher and your check *separately* from your return to ensure that your payment is properly credited to your account.

Your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

If You Pay Your Tax After the Due Date

If you pay your tax after April 17, 2012, you must pay penalty and interest on the unpaid amount (see page 6 for details). Use the worksheet in the M60 instructions to determine the penalty and interest to include with your tax payment. Form M1 does not include a line to report penalty or interest.

Lines 30–35

Refund or Amount Due Lines 30–35

Line 30—Your Refund

If line 29 is more than line 22, subtract line 22 from line 29, and subtract the amount, if any, on line 33. This is your 2011 Minnesota income tax refund. If the result is zero, you must still file your return.

Of the amount on line 30, you may choose to:

- 1 receive the entire refund in the mail as a paper check (skip lines 31, 32, 34 and 35);
- 2 have the entire refund deposited directly into a checking or savings account (see the line 31 instructions); or
- 3 apply all or a portion of your refund toward your 2012 estimated taxes and receive the remaining amount, if any, in the mail as a paper check (skip lines 31 and 32, and complete lines 34 and 35).

If you owe Minnesota or federal taxes, criminal fines or a debt to a state or county agency, district court, qualifying hospital or public library, the department will apply your refund to the amount you owe. If you participate in the Senior Citizens Property Tax Deferral Program, your refund will be applied to your deferred property tax total. Your Social Security number will be used to identify you as the correct debtor. If your debt is less than your refund, you'll receive the difference.

Generally, you must file your 2011 return no later than October 15, 2015, or your right to receive the refund lapses.

Line 31—Direct Deposit of Refund

If you want the refund on line 30 to be directly deposited into your checking or savings account, enter the requested information on line 31.

Note: You must use an account not associated with any foreign banks.

Refer to the sample below to find the routing and account numbers.

The **routing number** must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). If your account number is less than 17 digits, enter the number starting with the first box on the left—leave out any hyphens, spaces and symbols—and leave any unused boxes blank.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check. Your refund may also be issued as a paper check if a portion was recaptured to pay a debt you owe or an adjustment was made to your return.

By completing line 31, you are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

Line 32—Amount You Owe

If line 22 is more than line 29, you owe additional Minnesota income tax for 2011. If the difference is \$500 or more, read the instructions for line 33 to determine line 32.

Subtract line 29 from line 22, and add the amount, if any, from line 33. Enter the result on line 32. This is the Minnesota income tax you must pay. Pay your tax using one of the methods described in *Payment Options* on page 6.

If you are filing your return after April 17, 2012, a late payment penalty, a late filing penalty and interest may be due (see page 6). If you file a paper return and you

include penalty and interest with your check payment, enclose the worksheet from the M60 instructions or a separate statement showing how you arrived at the penalty and interest. Do not include the late-filing or late-payment penalty or interest on line 32.

Line 33—Penalty for Underpayment of 2011 Estimated Tax (Schedule M15)

You may owe a penalty if:

- line 20 is more than line 29, and the difference is \$500 or more; or
- you did not make a required estimated tax payment on time. This is true even if you have a refund.

Complete Schedule M15, *Underpayment of Estimated Income Tax*, to determine if you owe a penalty. Enter the penalty, if any, on line 33 of Form M1. Also, subtract the penalty amount from line 30 or add it to line 32 of Form M1. The penalty will increase the tax you owe or decrease your refund amount. Include Schedule M15 with your return.

To avoid this penalty next year, you may want to make larger 2012 estimated tax payments or ask your employer to increase your withholding.

Lines 34 and 35—2012 Estimated Tax

If you are paying 2012 estimated tax, you may apply all or part of your 2011 refund to your 2012 estimated tax.

On line 34, enter the portion of line 30 you want refunded to you as a paper check in the mail. You cannot request direct deposit.

On line 35, enter the amount from line 30 you want applied to your 2012 estimated tax. The total of lines 34 and 35 must equal line 30.

If you are not sure whether you must pay 2012 estimated tax, read *Estimated Payments* on page 7.

Before You Mail Your Return

Sign and Date Your Return

If you are married and filing a joint return, both spouses must sign. An unsigned return is not considered valid. You may be subject to interest and penalties if you fail to sign. If you paid someone to prepare your return, that person must also sign and provide their federal preparer ID number.

To choose limited authority for preparer.

You may check the box at the bottom of the return to give the department your permission to discuss your tax return with this paid preparer. Checking the box does not give your preparer the authority to sign any tax documents on your behalf or to represent you at any audit or appeals conference. For these types of authorities, you must file a power of attorney. For details, see page 8.

To choose not to file electronically. If you do not want your preparer to file your return electronically, check the appropriate box at the bottom of the return. Preparers who filed more than 10 Minnesota returns last year are required to electronically file all Minnesota returns, unless you indicate otherwise.

Include Copies of Federal Forms

In addition to your Form M1 and all the Minnesota schedules you are required to complete, also enclose complete copies of your 2011 federal return and schedules.

How to Assemble

Organize Form M1, its schedules and other documentation—when required—in the following order:

- 1 Form M1, including page 2 if it is not printed on the back of your Form M1,
- 2 Schedule M1W showing Minnesota withholding (**Do not submit W-2, 1099 or W-2G forms with your return.**),
- 3 Any schedules KPI, KS and/or KF you may have received that show Minnesota income tax withheld or available credits,
- 4 Minnesota schedules that you used to complete your return, according to the sequence number printed at the top of each, and
- 5 At the end, place a complete copy of your federal return and schedules.

Do not staple or tape any enclosures to your return. If you want to ensure your papers stay together, use a paperclip.

If you do not enclose the required documentation, the department may send your return back to you.

Make copies of all your forms and schedules. Keep the copies and your W-2 forms with your tax records at least through 2015. You will be charged a fee to request copies of your forms from the department.

Also, if you are claiming the K-12 education subtraction or credit, keep with your tax records original receipts and other documentation to substantiate your qualifying education expenses.
