## Scott County 0.5 Percent Transit Sales and Use Tax and \$20 Vehicle Excise Tax

Starting October 1, 2015, Scott County will have a 0.5 percent transit sales and use tax and a \$20 vehicle excise tax. The Minnesota Department of Revenue will administer these taxes. Revenues will fund the projects identified in Resolution #2015-067.

This 0.5 percent transit tax applies to retail sales made within Scott County. The transit use tax applies to taxable items used in the County if the local sales tax was not paid.

A \$20 Transit vehicle excise tax applies to sales of motor vehicles registered for road use. This excise tax must be collected by any person in the business of selling new or used motor vehicles at retail when the sale occurs in Scott County.

For more information about local taxes, see Fact Sheet 164, Local Sales and Use Taxes. It is available on our website, [www.revenue.state.mn.us](http://www.revenue.state.mn.us).

- Buy items for resale at your business, and then remove some of the items from inventory for business or personal use in Scott County.

### Calculating the tax

To calculate the total tax due on a purchase:

1. Add the 6.875 percent state sales tax rate and the 0.5 percent Scott County transit rate.
2. Apply the combined 7.375 percent rate, plus any other local taxes that apply, to the sales price.
3. Round the total to the nearest full cent.

You can download a 7.375 percent rate chart from our website or call us to request a paper rate chart.
