Steele County 0.5 Percent Transit Sales and Use Tax

Starting April 1, 2015, Steele County will have a 0.5 percent transit sales and use tax. The Minnesota Department of Revenue will administer this tax. The revenues will fund road improvements as identified in the Steele County 2015 – 2025 Transportation Capital Improvement Plan.

This tax applies to retail sales made within Steele County. The use tax applies to taxable items used in the County if the local sales tax was not paid.

This tax applies to the same items that are subject to the state Sales and Use Tax. It does not apply to sales of motor vehicles registered for road use.

For more information about local taxes, see Fact Sheet 164, Local Sales and Use Taxes. It is available on our website, www.revenue.state.mn.us.

Use tax

Steele County transit use tax applies when you are located in the county and you buy items or services without paying the transit sales tax.

Use tax is similar to sales tax and the rates are identical. It is based on your cost of taxable purchases. Common examples of when you owe use tax are when you:

- Buy items on the Internet, by phone, or from any business for use in Steele County and the seller doesn't charge the local tax.
- Buy items for resale at your business, then remove some of the items from inventory for business or personal use in Steele County.
