Analysis of H.F. 144 (Ecklund) / S.F. 337 (Bakk)

The bill authorizes the city of International Falls to impose a sales and use tax of up to 1%, as approved by the voters at the 2018 general election. The proceeds would be used to finance transportation and other public infrastructure projects in the city. The bill authorizes a bond issuance of up to \$30 million plus bond costs.

The tax would terminate the earlier of 30 years after it is first imposed or when the city council determines that \$30 million plus costs has been received from the tax to pay for the cost of the bonds. The tax may expire earlier if the city so determines by ordinance.

The bill would have no impact on state taxes.
