Analysis of H.F. 933 (Davids) / S.F. 1613 (Miller)

Cities and towns are authorized to impose a tax on lodging of up to 3%. The bill authorizes the city of La Crescent to impose a lodging tax of up to 2% in addition to the general authorization lodging tax, for a total of 5%. The proceeds would be split evenly between the city chamber of commerce to promote tourism in southeastern Minnesota and the La Crescent Area Event Center to promote local tourism.

The bill would have no impact on state taxes.
