This is a legal document — a written contract for the sale of goods

Pursuant to the Uniform Commercial Code as set forth in Minnesota Statutes, this is a shipment contract. Under this contract, the purchaser bears the risk of loss after, as indicated above by the purchaser, the department either delivers the stamps to the chosen carrier or the purchaser picks the stamps up directly from the department. In the absence of the purchaser choosing an alternative, the department will ship by UPS and the stamps will be insured at UPS's minimum liability value.
