

# Certificate of Rent Paid (CRP) Line B Corrected

Line B of your 2019 Certificate of Rent Paid (CRP) has been corrected. Line B now only includes payments your landlord received from Minnesota's Housing Support program on your behalf. Other types of housing support are not included on line B.

## What do I do with the corrected CRP?

- **If you or your preparer filed your Renter's Property Tax Refund return**, keep the corrected CRP for your records. You do not need to refile or amend your return. The Minnesota Department of Revenue will contact you if they need more information.
- **If you have not filed your Renter's Property Tax Refund return**, use the corrected CRP to file your return.
