

Certificate of Rent Paid (CRP) Line B Correction — For Renters

Your preparer has filed and submitted your Minnesota Renter's Property Tax Refund return. They completed the return using the 2019 Certificate of Rent Paid (CRP) from your landlord and information you gave the preparer about the amount on line B of the CRP.

Based on information you gave to your preparer, the amount on line B may have been incorrect. The amount added to line B is only for assistance from Minnesota's Housing Support program (formerly Group Residential Housing, or GRH) paid directly to your landlord on your behalf. Other forms of housing support should not have been included on line B.

What should I do?

Keep this handout for your records and provide the note titled "Certificate of Rent Paid (CRP) Line B Correction – For Landlords" to your landlord. Ask your landlord for a corrected 2019 CRP showing the right amount on line B.

What do I do with the corrected CRP?

Keep the corrected CRP for your records.
