Analysis of H.F. 3560 (Brand)

The bill authorizes the city of St. Peter to impose a sales and use tax of 0.5%, if approved by the voters at a general election. The proceeds would be used to finance the construction of a new fire station.

The bill authorizes a bond issuance of up to \$9.121 million plus costs. The tax would terminate forty years after it is imposed or after the city council determines that sufficient funds have been received to pay for the costs of the bonds. The tax may expire earlier if the city so determines by ordinance.

The bill would have no impact on state taxes.
