## Wholesale Drug Distributor Tax

---

### 2020 Tax Year Changes for Out-of-State Pharmacies

Starting with the 2020 tax year (returns due March 15, 2021), out-of-state pharmacies selling to consumers in Minnesota must file a Legend Drug Use Tax Return instead of a Wholesale Drug Distributor Tax Return. To calculate estimated tax payments, these pharmacies should use the *MinnesotaCare Estimated Tax Instructions* for Legend Drug Use Tax available on our website.

### Estimated Tax Payment Requirements

You are required to make estimated tax payments for the year if your total annual MinnesotaCare tax was more than \$500 for the previous year and will be more than \$500 for the current year.

You must make quarterly estimated tax payments based on your required annual estimated tax payment.

### Required Annual Estimated Tax Payment

The required annual estimated tax payment is the lesser of either:

- 90% of your actual tax for the current year
- 100% of your actual tax for the previous year

To determine your required annual estimated tax payment and the minimum amount you must pay each quarter, complete the worksheet on Page 2.

### Additional Tax Charge for Underpayment of Estimated Tax

If any payment is paid late or is less than the required amount, an additional tax charge (ATC) for underpayment of estimated tax will be assessed.

The Minnesota Department of Revenue's e-Services system will calculate any ATC when you file your annual MinnesotaCare tax return.

### Due Dates

Quarterly estimated tax payments are due by the 15th day of April, July, and October of the current year and January 15 of the following year.

If a due date falls on a weekend or holiday, payments electronically made or postmarked the next business day are considered timely.

### Electronic Payment Requirements

You are required to pay electronically if your tax liability was more than \$10,000 for any one Minnesota business tax during the previous fiscal year (July 1 - June 30).

If you are required to pay any Minnesota business tax electronically for one year, you must pay all Minnesota business taxes electronically *for all future years*. We will send you a notice the first year you are required to pay electronically.

A 5% penalty will be assessed on any non-electronic payments if you fail to pay electronically when required.

### Electronic Payment Options

#### e-Services

You can make payments using our online e-Services system. If you pay through e-Services, you will be able to view a record of your payments online once they are processed.

Go to our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and log in to e-Services. You will need your bank's routing number and your account number.

To be timely, you must submit your payment and receive a confirmation number on or before the payment due date. When paying electronically, you may not use an account associated with a foreign bank.

#### Credit or Debit Card

For a fee, you may charge your payments to your Visa, MasterCard, American Express, or Discover credit or debit card. To do so, have your card ready and go to [www.paystatetax.com/mn](http://www.paystatetax.com/mn) or call 1-855-947-2966.

#### ACH Credit

ACH credit payments are initiated by you through your bank. You authorize your bank to transfer funds to the state's bank account. The bank must use ACH file formats, which are available on our website. Your bank may charge you a fee for these payments.

#### Bank Wire

You can authorize a direct transfer from your bank account to the department. For information on how to make a bank wire transfer, call us at 651-556-3003 or 1-800-657-3909.
