Form DC1 Instructions

General Information

Minnesota law requires dry cleaning facilities to register with the Minnesota Department of Revenue each year and pay an annual fee (*M.S. 115B.47 to 115B.51*). A dry cleaning facility is a facility that is used for a dry cleaning operation.

If you own or operate a dry cleaning facility in Minnesota, you must complete this form and pay the fee due. You have the option to pay the full amount due by Oct. 19, 2020, or electronically pay the amount due in four installment payments (see *Payment Options*).

Exceptions: You do not have to pay the fee or file a return if the dry cleaning facility is:

- coin-operated;
- located on a U.S. military base;
- a uniform service or linen supply business;
- located in a prison or other penal institution;
- on the national priorities list established under the Federal Superfund Act; or
- one at which a response action was taken or started before July 1, 1995, unless a settlement agreement was approved by the commissioner by July 1, 1997 (*M.S. 115B.17*).

Minnesota Tax ID Number

Make sure the number shown on this form is correct. If it's not, or if there is no ID number shown, enter the correct number.

If you do not have a Minnesota tax ID number, you must register for one. To register, go to www.revenue.state.mn.us and click "Register for a Minnesota tax ID number" on the e-Services menu, or call 651-282-5225 or 1-800-657-3605.

Supplier Information

Please provide the name and address of your suppliers of dry cleaning solvents. Although not required, this information will help us keep them informed of their tax responsibilities.

"Use" Fees

If you purchased dry cleaning solvents for dry cleaning in Minnesota, but did not pay a Minnesota solvent fee to your supplier, you're required to report and pay the solvent fee when you file your Sales and Use Tax in e-Services. For more information, go to our website and enter **Dry Cleaner** in the Search box.

Pay Electronically

If you are required to pay any Minnesota tax electronically, you must also pay your dry cleaning registration fee electronically.

- To pay over the Internet, go to our website at www.revenue.state.mn.us and log in.
- If you do not have Internet access, call 1-800-570-3329 to pay by phone.

For both methods, follow the prompts for a business to make a "dry clean facility fee" payment. You will need your Minnesota tax ID number, password and banking information. When paying electronically, you must use an account not associated with any foreign banks.

Note: If you are using the system for the first time and you need a temporary password, call 651-282-5225 or 1-800-657-3605.

After you authorize the payment, you will receive a confirmation number. You can cancel a payment up to one business day before the scheduled payment date if needed.

Penalties and Interest

If you do not file your return on time or pay the amount due by the payment dates, you may be charged penalty and interest.

Late-payment penalty. If you do not pay the fee on time, you will be charged a late-payment penalty. If your payment is one to 30 days late, the penalty is 5 percent of the amount owed; 31 to 60 days late, 10 percent; over 60 days, 15 percent.

Late-filing penalty. If you also do not file your return on time, an additional 5 percent of the unpaid fee will be added to the late-payment penalty. The maximum penalty for filing late and paying late is 20 percent.

Interest. Interest is due on both the fee and penalty you owe. The interest rate for 2019 is 4 percent. The rate may change for 2020. Interest is calculated using the following formula:

$$\text{Interest} = (\text{fee} + \text{penalty}) \times \# \text{ of days late} \times \text{interest rate} \div 365$$

Line Instructions

Line 1 — Total Hours Worked

Enter the total hours employees, owner, partners, and any others worked at the facility from July 1, 2019, through June 30, 2020. You must include hours spent on tasks unrelated to the dry cleaning business, such as wet washing, alterations, and car washing.

Line 2a — Full-Time Equivalence Rating

The fee you owe is based on your business's full-time equivalence (FTE) rating. To determine your FTE rating, divide the total hours worked on line 1 by 2,000 (the number of work hours during a year for a full-time employee).

Line 2b

If you were in business for less than a year between July 1, 2018, and June 30, 2019, follow the steps below:

- 1 Multiply your FTE rating on line 2a by 50 _____
- 2 Divide step 1 by the number of weeks you were in business. _____

Example: Your FTE rating on line 2a is 2.3 and you were in business for 40 weeks.

Step 1: $2.3 \times 50 = 115$

Step 2: $115 \div 40 = 2.875$

You would enter 2.9 on line 2b.

Payment Options

You have the option to pay the full amount due by Oct. 19, 2020, OR make four electronic payments beginning Oct. 19, 2020 (see *Payment Due Dates* below).

If you choose to make four installments, you must notify us by Oct. 1, 2020 of your choice. If you don't notify us by Oct. 1, the full payment due defaults to Oct. 19, 2020.

To pay the full amount. Electronically pay the amount on line 3 (see *Pay Electronically*).

Payment Due Dates

You have the option to pay the full amount due by Oct. 19, 2020, OR make four payments due Oct. 19, 2020, and Jan. 18, April 19, and June 18 of 2021. You must notify us by Oct. 1, 2020, that you will make installment payments. If you don't notify us, your full payment is due Oct. 19, 2020.
