

Minnesota Tax ID Instructions for Form SBR

These instructions apply only to fire relief associations and Form SBR. You can find general information about Minnesota Tax IDs here: <https://www.revenue.state.mn.us/minnesota-tax-id-requirements>

Fire relief associations must have a Minnesota Tax ID to submit Form SBR. This requirement is one of the security measures for electronic forms that are available to the public on the Department of Revenue website.

If your fire relief association does not yet have a Minnesota Tax ID, or you need to check if there is one assigned, please call Business Registration at 651-282-5225 or 1-800-657-3605. You will need to have your relief association's federal employer identification number (FEIN) when you call.

You **must call** to register for a Minnesota Tax ID for Form SBR. **Do not** use the online registration process.

The Property Tax Division cannot help you look for or register for a Minnesota Tax ID.

Once you have received or confirmed your relief association's Minnesota Tax ID, please contact Kristie Strum (kristie.strum@state.mn.us or 651-556-6074) to have it added to the database for Form SBR.
