

Lawful Gambling Manufacturer Instructions

Includes Instructions for Submitting the Monthly Inventory Sales File.

For Lawful Gambling Tax laws, see Minnesota Statute, Chapter 297E at www.leg.state.mn.us.

Reminders

Gambling Equipment. Do not include leased gambling equipment in your file.

Bingo Paper and/or Gambling Equipment. If you sell bingo paper and/or gambling equipment, you are required to report your sales invoices with your inventory sales files.

Part Master File. The Minnesota Gambling Control Board sends part master files to the Department of Revenue. You are required to provide additional information to the Gambling Control Board when you request approval of “new” game(s).

Manufacturers are required to provide the following additional information:

- manufacturer ID (two alpha characters)
- manufacturer’s license number
- cost per play
- part number that is printed on the barcode
- Department of Revenue’s game type code
- ideal gross receipts
- ideal prizes
- packages per game

Note: The barcoded part number is not the same as the form number. The barcoded part number submitted to and approved by the Gambling Control Board must match the barcoded part number on all future sales invoices.

Invoices. Use the same format for electronic bingo and electronic pull-tabs that you use for paper bingo and paper pull-tabs.

Credit Memos. You are required to report games returned from distributors or Indian Tribes.

Game Identifiers. You must include three unique pieces of data in your game identifiers:

- the manufacturer ID assigned by the department
- the part number approved by the Gambling Control Board
- the serial number

These three pieces of data allow us to track the inventory from sale to close of the game.

Number of Bingo Sheets. You must include the number of bingo sheets for all forms of paper bingo in the inventory sales file under Number of Sheets.

Bingo Ideal Gross Receipts and Ideal Prizes. You must report the ideal gross receipts and ideal prizes for bingo placards with paper attached in the inventory sales file under Ideal Gross Receipts and Ideal Prize. **For all other forms of paper bingo, you must include the Ideal Gross Receipts. The Ideal Prize filed is not required.**

Before You Start

You need a Federal Tax ID Number, Minnesota Tax ID Number, and a license number. You must provide these numbers on all monthly inventory sales files you submit to the department.

Federal Tax ID Number. Your federal ID number is also known as your Federal Employer Identification Number (FEIN), and is used to identify a business entity. If you do not have one, you can apply on the IRS website at www.irs.gov (search for employer ID number) or call 1-800-829-4933.

Minnesota Tax ID Number. Your Minnesota ID number is the seven-digit number assigned to you when you register with the Department of Revenue. If you do not have one, register for one online at www.revenue.state.mn.us or call 651-282-5225 or 1-800-657-3605.

License Number. Your Minnesota license number is a three-digit number assigned to you when you register and apply with the Gambling Control Board. If you do not have one, apply for one by contacting the Gambling Control Board at 651-539-1900.

Manufacturer ID. The Department of Revenue will assign a Manufacturer ID. The Manufacturer ID contains two alpha characters that are used to identify games sold by your company. This manufacturer ID must be reported on all future barcodes.

Who is required to file?

If you sold gambling product or gambling equipment in Minnesota during the month, you are required to electronically file an inventory sales file to report all sales and credits of gambling products and gambling equipment for bingo paper or placards, paddletickets, pull-tabs, raffles or raffle boards, tipboards, sports-themed tipboards, electronic linked bingo and electronic pull-tabs (M.S. 297E.01, subd. 7 and M.S. 349.12, subd. 18).

Due Dates and Extensions

The regular due date for electronically filing your monthly inventory sales file is the 20th day of the following month. For example: Your June monthly inventory sales file is due July 20.

When the due date falls on a Saturday, Sunday or legal holiday, monthly inventory sales files received by the next business day are considered timely.

If we receive your inventory sales file late, we may notify the Gambling Control Board.

If you cannot file your inventory sales file by the regular due date, contact the Department of Revenue Lawful Gambling Unit.

Monthly Inventory Sales Files Instructions

All licensed gambling manufacturers conducting business in Minnesota must submit an inventory sales file to report all games and equipment sold to Minnesota distributors and/or Indian Tribes during the month.

You must submit the file in an XML format using our standards and requirements. If you do not follow our standards and requirements, we will reject the file.

The schema file is available on our website. Go to www.revenue.state.mn.us and enter **manufacturer requirements** in the Search box.

Manufacturer credit memos. You must report games returned from distributors and Indian Tribes by using the correct transaction code on the file for the month the credit memo was issued. Distributors do not report to the department games they returned to you.

Use the following transaction codes and schema key when you complete the inventory files. Use lawful gambling as the business type unless noted otherwise:

Amending an Inventory Sales File

To report changes to a monthly inventory sales file, submit an amended file. **Be sure to indicate the month and year you are amending in the file name.**

Resubmit the entire file with the necessary correction and select the Amend checkbox.

Electronic Filing

In order to upload your files you must:

- be registered with the department
- set up a lawful gambling manufacturer user account in e-Services
- use the schema file provided by the department

Note: You cannot attach a file over 10MB. If it exceeds 10MB, you need to zip your file before you attach it.

To upload your file, go to our website:

1. Log in to e-Services.
2. Select Upload inventory sales file in the Manufacturer account.
3. Select the filing period

Lawful Gambling Manufacturer Instructions *(continued)*

4. Select Add Attachment.
5. Enter the file name in the Description field. Use your manufacturer name, three-digit license number, and month and year of filing period. For example, pulltab_king_000_mar_2020.
6. Upload the file and complete the remaining steps as directed.

You will receive an email to notify you if your file was accepted or rejected.

Duplicate Files. If you receive an error message stating that your file was a duplicate, check the filing status of your previous file to see if it was Completed or Rejected. If it was completed, you do not need to resubmit. If it was rejected, you need to make any necessary corrections to the file and resubmit. Do not check the Amend checkbox. Your original file was never accepted and does not exist in our system.

Rejected Files. If you receive an error message stating that your file was rejected, make any necessary corrections to the file and resubmit. Do not check the Amend checkbox. Your original file was never accepted and does not exist in our system.

File Validation. Prior to sending your XML file, validate your file against the schema to determine if errors exist.

Game Type Validation. Remember to include the correct game type in your file. Your file may be rejected if you fail to do so.

Closing Your Business

If you close your business, you must contact the Department of Revenue Lawful Gambling Tax Unit.
