Course Description and Objectives

This course is a demonstration of e-Services, Minnesota Department of Revenue's online portal used by customers to file and pay business taxes. This course is designed specifically for customers who file sales and use tax returns. The course will highlight changes to e-Services that were implemented at the end of November 2020.

After today's training, you'll be able to:

- Navigate e-Services
- File and pay a sales and use tax return
- Manage your user profile
- Find resources on our website
