Analysis of H.F. 514 (Igo) / S.F. 453 (Tomassoni)

The bill authorizes Itasca County to impose a sales and use tax of 1.0%, if approved by the voters at a general election. The proceeds would be used to finance capital and administrative costs for the following construction and upgrade projects: (1) correctional facilities, (2) court facilities including ancillary support accommodations, and (3) county offices.

The bill authorizes a bond issuance of up to \$75 million plus bond costs. The tax would terminate at the earlier of 30 years after it is first imposed or when the city council determines that sufficient funds have been received to pay for the costs of the bonds. The tax may expire earlier if the city so determines by ordinance.

The bill would have no impact on state taxes.
