Analysis of H.F. 1751 (Poston) / S.F. 1816 (Weber)

The bill authorizes the city of Staples to impose a sales and use tax of 0.5%, if approved by the voters at a general election. The proceeds would be used to finance costs for the renovation of the Staples Community Center.

The bill authorizes a bond issuance of up to \$1.6 million plus bond costs. The tax would terminate at the earlier of 25 years after it is first imposed or when the city council determines that sufficient funds have been received to pay for the costs of the project and bonds. The tax may expire earlier if the city so determines by ordinance.

The bill would have no impact on state taxes.
