EXPLANATION OF THE BILL

The bill would allow the Cities of Cromwell and Wright to create the Cromwell Wright Fire and Ambulance Special Taxing District. The district would have levy authority and would be allowed to incur debt.

REVENUE ANALYSIS DETAIL

- The proposal is assumed to not impact the state general fund. It is assumed the property tax levies used to fund current fire protection and emergency medical services in Cromwell and Wright would be shifted from the current general levies of political subdivisions in Cromwell and Wright.
- It is possible the change in levy authority would lead to lower or higher levies for property tax payers.
