

## Local Sales and Use Tax Rate Guide

Local tax rates are listed in the following table. This table does not include special local taxes (admissions, entertainment, food and beverage, lodging, liquor, restaurant).

- Cities with an asterisk may fall within multiple taxing areas.
- New local tax changes are highlighted in blue.
- Rate increases are highlighted in orange.
- Local taxes that have ended are highlighted in green.

The information in this table does not relieve you of your responsibility to charge and remit the correct sales tax rate. To get the correct sales tax rate, use the Sales Tax Rate Calculator or Map on our website.

For more information on local and special taxes, see:
