# 2021 Form M11AR Instructions

---

Use this form to determine the correct amount of premiums collected for all fire, sprinkler and lightning damage. Use these instructions as a guide. For further information, see M.S. 297I. The purpose of this form is to collect retaliatory tax on fire insurance premiums.

Be sure to include this form when you file your Form M11.

## Filing Requirements

All insurers that write or are authorized to write fire insurance in Minnesota must file Form M11AR if their home state collects a fire insurance tax. This schedule is not required for companies domiciled in **Minnesota, Arizona, Hawaii, Massachusetts, New York and Rhode Island.** (M.S. 297I.05, subd. 11)

## File Electronically

This schedule (Form M11AR) may be filed electronically using TriTech Software.

## Instructions

### Check Boxes

At the top of the form, check if the return is:

- an **Amended Return**: Check only if you are amending a previously filed return for the same period. Include all original and corrected premiums on the amended return.
- a **No Activity Return**: Check only if you did not sell any insurance that had fire, lightning or sprinkler leakage coverage for the year.

### Line Instructions

Premiums include finance, service or other charges paid to the insurers.
