2021 Schedule DIV Instructions

Complete Schedule DIV to determine your deduction for dividends received.

Purpose of Schedule DIV

Use Schedule DIV, *Deduction for Dividends Received*, to calculate your deduction for dividends received by a member of your combined group. The dividend must be paid by a corporation outside the combined group.

The dividend received deduction is allowed for dividends that are included in the corporation's Minnesota taxable net income for the taxable year.

The dividends received deduction is not allowed if the corporation does one of the following:

- includes the stock in its inventory
- holds the stock primarily for sale to customers in the ordinary course of business
- conducts business that consists mainly of holding the stocks and collecting income and gains from them
