For insurance tax laws, see Minnesota Statutes, Chapter 297I at [www.leg.state.mn.us](http://www.leg.state.mn.us).

**What's New**

Effective for returns due after October 31, 2017, Form IG257, *Firefighter Relief Surcharge Return*, is now only due twice a year rather than three times a year. There is no longer a March 31 period end date.

New Period	Due Date
November 1 – May 31 . . . . .	June 30 7 months period
June 1 – October 31 . . . . .	November 30 5 months period

(M.S. 297I.30, subd.7)

**Filing Requirements**

All insurers that write or are authorized to write fire, lightning, or sprinkler leakage insurance subject to Minnesota premium tax, must file a return. This surcharge applies to insurance coverage written on risks located in Duluth, Minneapolis, Rochester and St. Paul. A return is required even if no applicable premiums were written in the four cities during the period indicated. (M.S. 297I.10).

The surcharge applies to all additional fire, lightning and sprinkler-leakage premiums unless exempt from the surcharge as explained below. Also include finance, service and other charges.

The surcharge is equal to 2 percent of all fire, lightning and sprinkler-leakage gross premiums, less return premiums on all direct business from property located within Duluth, Minneapolis, Rochester or St. Paul city limits. The surcharge is not collected on premiums for auto or aircraft fire insurance, marine fire insurance, or other property in transit.

If a premium is returned to the insured, recalculate the surcharge on the same basis the original surcharge was calculated.

For policies carrying multiple peril premiums, use the following percentages to separately report the fire, lightning and sprinkler-leakage premiums:

Type of Policy	Percentage of Premium
Farmowners multiple-peril . . . . .	35%
Homeowners multiple-peril . . . . .	35%
Commercial nonliability . . . . .	55%
Commercial liability . . . . .	35%
Businessowners . . . . .	35%

**Due Dates**

For period ending	Due Date
May 31 . . . . .	June 30
October 31 . . . . .	Nov. 30

Submit separate payments for each period.

The U.S. postmark date, or date recorded or marked by a designated delivery service, is considered the filing date (private postage meter marks are not valid). When the due date falls on a weekend or legal holiday, returns and payments electronically made or postmarked the next business day are considered timely. When a return or payment is late, the date it is received at the Department of Revenue is treated as the date filed or paid.

**Extension for Filing Return.** If good cause exists, you may request a filing extension.

**Payments**

**Electronic Payments**

If your total insurance taxes and surcharges for the last 12-month period ending June 30 is \$10,000 or more, you are required to pay your tax electronically in all subsequent years.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as withholding tax.

To pay electronically, go to the department's website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and log in. If you do not have Internet access, call 1-800-570-3329 to pay by phone. You'll need your ID number and bank routing and account numbers. When paying electronically, you must use an account not associated with any foreign banks.

If you use other electronic payment methods, such as ACH credit method or Fed Wire, instructions are available on our website or by calling Business Registration Office at 651-282-5225 or 1-800-657-3605.

**Check Payments**

If you're not required to pay electronically and are paying by check, visit our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and click on "Make a Payment" and then "By check" to create a voucher. Print and mail the voucher with a check made payable to Minnesota Revenue.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account, and you may not receive your cancelled check.

**Instructions**

**Check Boxes**

- At the top of the form, check if the return is:
- **an Amended Return:** Check only if you are amending a previously filed return for the same period. Include all original and corrected premiums on the amended return.
  - **a No Activity Return:** Check only if you did not write any applicable premiums on risks located in Duluth, Minneapolis, Rochester or St. Paul.

**Line 6 – Penalty**

**Late Payment.** If you don't pay the entire surcharge due by the due date, a late payment penalty is due. The penalty is 5 percent of the unpaid surcharge for any part of the first 30 days the payment is late, and 5 percent for each additional 30-day period, up to a maximum of 15 percent.

**Late Filing.** Add a late filing penalty to the late payment penalty if your return is not filed by the due date. The penalty is 5 percent of the unpaid surcharge. When added to the late payment penalty, the maximum combined penalty is 20 percent.

**Payment Method.** If you are required to pay electronically and do not, an additional 5 percent penalty applies to payments not made electronically, even if a paper check is sent on time.

**Line 7 – Interest**

You must pay interest on the unpaid surcharge plus penalty from the due date until the total is paid. The interest rate for calendar year 2018 is 4 percent. To figure how much interest you owe, use the following formula with the appropriate interest rate:

$$\text{Interest} = (\text{surcharge} + \text{penalty}) \times \# \text{ of days late} \times \text{interest rate} \div 365$$
