Form AWC Instructions

All partnerships and S corporations, not making a pass-through entity (PTE) tax election, must withhold Minnesota income tax for any non-resident individual partner or shareholder who:

- is not included in composite income tax
- has Minnesota distributive income of \$1,000 or more

You must withhold 9.85% of their Minnesota source distributive income, less any credits that are passed through to them.

However, we will allow you to withhold a smaller amount of tax if the partner or shareholder owes less Minnesota tax. This may happen if a partner or shareholder:

- has paid Minnesota estimated tax or had Minnesota withholding tax taken out of wage income; or
- has Minnesota taxable income less than the distributive income received from this entity, due to losses from other Minnesota sources.

Who should file Form AWC

Complete this form if you are a nonresident individual partner of a partnership or shareholder of an S corporation and you expect to receive Minnesota distributive income of \$1,000 or more from this partnership or S corporation and want less than 9.85% of your Minnesota source distributive income withheld by the entity.

If you choose to have 9.85% of your distributive income withheld or to be included in composite income tax, you do not need to complete this form.

Form AWC Instructions (Continued)

Do not use this form for wage withholding.

This certificate is effective for one tax year. Complete a new Form AWC for each year you wish to change the amount withheld by this partnership or S corporation.

Filing Form AWC

Sign and date the completed form, and give it to the partnership or S Corporation. They will need this information before filing their tax return. They must file all AWC forms with their original return by the due date.

Do not file this certificate with your Form M1, *Minnesota Individual Income Tax Return*. Do not send it directly to the Department of Revenue. To claim the amount withheld, file Form M1 and include the Schedule KPI or KS you receive from the partnership or S corporation.

If your Form AWC is found to be false, the Department of Revenue may require that in future years the partnership or S corporation withhold the maximum percentage of your Minnesota distributive income, even if you submit Form AWC.

Line 5

Include on line 5 certain Minnesota credits you received from a partnership or S corporation. These amounts are reported to you on lines 25 through 29 of Schedules KS or KPI.

Also include on line 5 any Minnesota backup withholding credit you received from a partnership or S corporation. These amounts are reported to you on line 31 of Schedules KS or KPI.
