Complete one form per qualified first-time homebuyer savings account you earned interest and dividends from or took a distribution from in 2022.

Who is a qualified beneficiary?

A qualified beneficiary is the person or married couple that the account holder designates on this schedule. The beneficiary must be a Minnesota resident who has not had ownership interest in a principal residence in the last three years. The account holder may be the beneficiary of a first-time homebuyer account. You may change the qualified beneficiary at any time.

Typically, you name the qualified beneficiary the day you open the account. To qualify for this subtraction, you must name the beneficiary on Schedule M1HOME.

What is a qualified withdrawal?

A qualified withdrawal is a withdrawal of funds used for a single-family residence in Minnesota, including:

- Down-payment
- Closing costs
- Cost of construction
- Financing the construction

A single-family residence also includes any of these:

- Manufactured home
- Trailer
- Mobile home
- Condominium unit
- Townhome

What is a nonqualified withdrawal?

A nonqualified withdrawal is a withdrawal of funds used for anything other than expenses listed as a qualified withdrawal.
