

## St. Paul 1.0% Sales and Use Tax Increase

Starting April 1, 2024, the St. Paul Sales and Use Tax will be increasing to 1.5%. (The previous sales and use tax rate was 0.5%.) The Department of Revenue administers this tax. Revenues will fund the projects identified in the St. Paul Ordinance No 23-64.

The 1.5% sales tax applies to retail sales made into St. Paul. The use tax applies to taxable items used in St. Paul if the local sales tax was not paid.

### Who Must Register and Collect the Tax

All retailers who have a taxable presence (nexus) in St. Paul, even if an out-of-state retailer or marketplace, and are registered for Minnesota sales and use tax. This includes all sellers outside St. Paul if they have a taxable presence such as:

- Have an office, distribution, sales, sample or warehouse location, or other place of business in St. Paul, either directly or by a subsidiary.
- Perform taxable services in St. Paul
- Ship taxable items into St. Paul, including all sales made using the internet, mail order, or telephone.
- An out-of-state retailer that exceeds Minnesota sales tax thresholds and make sales into St. Paul.

If you are already registered for this tax, you do not need to register again. For more information about taxable presence, see Form ABR, Minnesota Application for Business Registration.
