What's new for 2019?

Form Changes

Minnesota laws enacted in 2019 have led to changes to the Minnesota income tax return and schedules. The following list provides general information on the changes. More details are provided later in the instructions.

Standard Deduction

The standard deduction is increased for each filing status. You will determine your standard deduction on page 11. If you are married and filing a separate return, you may only claim the standard deduction if your spouse did not itemize deductions. If you are a nonresident alien of the United States, you may not claim the standard deduction unless allowed under a United States income tax treaty. The standard deduction begins to phase out as income exceeds \$194,650 (\$97,325 if you are married and filing a separate return).

Itemized Deductions

Minnesota enacted its own allowable itemized deductions beginning in 2019. The Minnesota itemized deductions are reported on Schedule M1SA, *Minnesota Itemized Deductions*. More information about Minnesota itemized deductions can be found beginning on page 11. You may itemize deductions on your Minnesota income tax return even if you claimed the standard deduction on your federal income tax return. Itemized deductions are reduced as your income exceeds \$194,650 (\$97,325 if you are married and filing a separate return).

Dependent Exemptions

In prior years, an exemption amount was allowed for yourself, your spouse (if married and filing a joint return), and qualifying dependents. Beginning with tax year 2019, exemptions are only allowed for dependents. The exemption amount is \$4,250 for each qualifying dependent in 2019. Your total exemption amount is reduced if your income exceeds certain amounts based on your filing status:

- \$291,950 for Married filing joint or Qualifying widow(er)
 - \$243,300 for Head of household
 - \$194,650 for Single
 - \$145,975 for Married filing separately
- See page 13 to determine who qualifies, and how much you qualify to deduct.

Credits

Minnesota law expanded eligibility for the Minnesota Working Family Credit. In prior years, you must have been eligible to receive the federal Earned Income Tax Credit (EITC) to receive the Minnesota Working Family Credit. Beginning with tax year 2019, you may be eligible for the credit if you are between the ages of 21 and 64 with no qualifying children or have income that exceeds the limitations of federal EITC. Use Schedule M1WFC, *Minnesota Working Family Credit*, to determine if you are eligible.

The Angel Investment Credit was re-enacted in 2019. You may apply for the credit through the Minnesota Department of Employment and Economic Development (DEED) for investments into certain small businesses. You will receive a certificate from DEED that you may use to claim the credit on Schedule M1REF, *Refundable Credits*.

New Limits on Direct Deposit of Refunds

Beginning in 2020, the Minnesota Department of Revenue will only deposit up to five Minnesota individual income tax refunds into a single bank account. Any additional refunds will be issued as a paper check.

Where's My Refund?

We review every return to verify the information and make sure the right refund goes to the right person. Each return is different, so processing time will vary. To check your refund status, go to www.revenue.state.mn.us and type **Where's My Refund** into the Search box. With this system, you can:

- See if we've received your return
- Follow your return through the process
- Understand the steps your return goes through before a refund is sent
- See the actual date your refund was sent

When you use **Where's My Refund**, we ask for your Social Security number, date of birth, and the exact amount of your refund.

You can also call our automated phone line at 651-296-4444 or 800-657-3676 (toll-free) to get the status of your refund.

Information for Your Federal Return

State Refund Information—Line 1 of federal Schedule 1

If you received a state income tax refund in 2019 and you itemized deductions on federal Form 1040 in 2018, you may need to report an amount on line 1 of your 2019 federal Schedule 1. See the Form 1040 instructions for more information. We do not mail federal Form 1099-G to most taxpayers.

To find out how much your Minnesota income tax refund was:

- Review your records
- Go to www.revenue.state.mn.us and type **1099-G** into the Search box
- Call 651-296-4444 or 1-800-652-9094 (toll-free)

Deducting Real Estate Taxes—federal Schedule A (Line 5b)

You are allowed a tax deduction on federal Schedule A for real estate taxes you paid in 2019. If you received a property tax refund for these taxes on a 2018 Form M1PR, *Homestead Credit Refund (for Homeowners) and Renter's Property Tax Refund*, subtract that refund amount from your property taxes paid when calculating your deduction on Schedule A.

Deducting Vehicle License Fees—federal Schedule A (Line 5c)

You may deduct part of your Minnesota vehicle license fee as personal property tax for passenger automobiles, pick-up trucks, and vans on line 5c of federal Schedule A. Other amounts, such as the plate fee and filing fee, are not deductible and cannot be used as an itemized deduction.

Calculate the allowed deduction by subtracting \$35 from your vehicle's registration tax for each vehicle you register. To find the registration tax:

- Go to www.mndriveinfo.org and select **Online Services** and then **Calculate Registration Tax**
- Look at the vehicle registration renewal form issued by Driver & Vehicle Services

Did you purchase items over the internet or through the mail?

If you purchased taxable items for personal use and did not pay sales tax, you may owe use tax. Generally, the use tax is the same rate as the state sales tax. If you live in a local tax area, include the use tax that is applicable to your local use tax.

You may owe use tax if you purchase taxable items:

- Over the internet, by mail order, etc., and the seller does not collect Minnesota sales tax from you.
- In a state or country that does not collect Minnesota sales tax from you.
- From an out-of-state seller who properly collects another state's sales tax at a rate lower than Minnesota's sales tax. (In this case, you owe the difference between the two rates).

Add all of your taxable purchases. If they total more than \$770, file Form UT1, *Individual Use Tax Return*, by July 15, 2020, for all taxable items you purchased during the calendar year. If your total purchases for personal use are less than \$770, you do not have to file and pay use tax.

To file online, go to www.revenue.state.mn.us and type **Individual Use Tax** into the Search box. Then, select **Individual Use Tax Return Online Filing System**. Follow the prompts to file your return.

Form UT1 and Fact Sheet 156, *Use Tax for Individuals*, are available on our website or by calling 651-296-6181 or 1-800-657-3777 (toll-free).

Local Use Taxes

If you buy taxable items for use in the cities and counties listed in Fact Sheet 164, *Local Sales and Use Taxes*, you must also pay local use taxes at the rates listed.

Filing Requirements

Am I required to file a Minnesota individual income tax return?

Yes, if any of the following apply:

- You were a Minnesota resident for the entire year in 2019 and had to file a federal income tax return.
- You were a part-year or nonresident and meet the requirements under **Filing Requirements for Part-Year Residents and Nonresidents**.
- You qualify for and want to claim refundable credits.
- You were a nonresident alien of the United States, had income assignable to Minnesota, and were required to file a federal return.

Minnesota Residents

File a 2019 Minnesota income tax return if either of the following are true:

- You were a Minnesota resident for the whole year and were required to file a 2019 federal income tax return.
- Your income is more than the amount that applies to you in the chart below.

You are a Minnesota resident if either of the following apply:

- Minnesota was your permanent home in 2019.
- Minnesota was your home for an indefinite period of time and you maintained an abode (house, townhouse, condominium, apartment, mobile home, or cabin, with cooking and bathing facilities, that could be lived in year-round) in Minnesota.

For more information, see Income Tax Fact Sheet 1, *Residency*.

Residents Who are not a Dependent

If you were a Minnesota resident for all of 2019 and required to file a federal income tax return, you are required to file a Minnesota income tax return.

Residents Who are a Dependent

If your parent (or someone else) can claim you as a dependent, use the **Worksheet for Line 4 — Dependent Standard Deduction** to determine your filing requirement. If your gross income is greater than the amount of your standard deduction determined in the worksheet, you must file a Minnesota income tax return. Your gross income is the total of your earned and unearned income. Your earned income includes salaries, wages, tips, professional fees, and taxable scholarship and fellowship grants. Your unearned income includes taxable interest, ordinary dividends, capital gains distributions, unemployment compensation, taxable social security benefits, pension, annuities, and distributions of unearned income from a trust.

If your filing status* is	And	Then you must file a Minnesota income tax return if your income was at least

**Use the same filing status from your federal income tax return. If you did not file a federal return, see the Form 1040 instructions.*

If you are not required to file a federal return, file a Minnesota return to:

- Claim refundable credits (K–12 Education, Working Family, Dependent Care, Parents of Stillborn Children)
- Get a refund if your employer issued you a 2019 Form W-2 reporting Minnesota income tax withheld from your wages

Filing Requirements (cont.)

Part-Year Residents

File a Minnesota income tax return if you moved into or out of Minnesota in 2019 and your 2019 Minnesota source income is \$12,200 or more. Complete Schedule M1NR, *Nonresidents/Part-Year Residents*, to determine income received while a Minnesota resident and income received from Minnesota sources while a nonresident. Your Minnesota tax is based on that income.

Nonresidents

If you were a resident of another state but lived in Minnesota, file a Minnesota income tax return as a Minnesota resident if both of the following applied to you:

- You were physically in Minnesota for 183 days or more during the tax year
- You or your spouse owned, rented, lived in, or leased an abode (house, townhouse, condominium, apartment, mobile home, or cabin, with cooking and bathing facilities, that could be lived in year-round) in Minnesota

If both conditions apply, you are considered a Minnesota resident for the length of time you maintained an abode in Minnesota.

File a Minnesota income tax return if you meet the filing requirements in the next section. For more details, see Income Tax Fact Sheet 2, *Part-Year Residents*, and Income Tax Fact Sheet 3, *Nonresidents*.

Filing Requirements for Part-Year Residents and Nonresidents

1. Determine your total income from all sources (including sources not in Minnesota) while a Minnesota resident.
2. Determine the total of the following types of income you received while a nonresident of Minnesota:
 - Wages, salaries, fees, commissions, tips, and bonuses for work done in Minnesota
 - Gross rents and royalties received from property located in Minnesota
 - Gains from the sale of land or other tangible property in Minnesota
 - Gross winnings from gambling in Minnesota
 - Gains from the sale of a partnership interest, to the extent the partnership had property or sales in Minnesota
 - Gains reported on Schedule M1AR, *Accelerated Recognition of Installment Sale Gains*
 - Gains on the sale of goodwill or income from an agreement not to compete connected with a business operating in Minnesota
 - Minnesota gross income from a business or profession conducted partially or entirely in Minnesota. This is the amount from line 7 of federal Schedule C or line 9 of Schedule F of Form 1040. Gross income from a partnership, S corporation, or trust or estate is the amount on line 26 of Schedule KPI, line 26 of Schedule KS, or line 31 of Schedule KF.
3. Add step 1 and step 2. If the total is \$12,200 or more, you must file a Minnesota income tax return and Schedule M1NR.

If the result is less than \$12,200 and you had amounts withheld or paid estimated tax, file a Minnesota income tax return and Schedule M1NR to receive a refund. If you are married and filed a joint federal return, you must file a joint Minnesota return even if only one spouse has Minnesota income. Complete Schedule M1NR and include a copy of the schedule when you file your return.

Filing Requirements (cont.)

Michigan and North Dakota Residents

Minnesota has reciprocity agreements with Michigan and North Dakota. You are not subject to Minnesota income tax if both of the following applied in 2019:

- You were a full-year resident of Michigan or North Dakota and returned to your home state at least once a month
- Your only Minnesota income was from personal service income (wages, salaries, tips, commissions, and bonuses)

Complete Schedule M1M, *Income Additions and Subtractions*, to file for a refund of withholding if you are a Michigan or North Dakota resident. For more information, see Income Tax Fact Sheet 4, *Reciprocity*.

Follow the steps below to complete your Form M1 and Schedule M1M:

1. Enter the appropriate amounts from your federal return on lines A-D and on line 1 of Form M1.
2. Skip lines 2 through 6 of Form M1.
3. Enter the amount from line 1 of Form M1 on line 25 of Schedule M1M and on line 7 of Form M1. Place an X in the box for line 25 of Schedule M1M to indicate the state of which you are a resident.
4. Complete the rest of Form M1. In addition to Schedule M1M, you must also complete and enclose Schedule M1W, *Minnesota Income Tax Withheld*, and a copy of your home state tax return. **Do not complete Schedule M1NR.**

If your wages are covered by reciprocity and you do not want your employer to withhold Minnesota tax in the future, file Form MWR, *Reciprocity Exemption/Affidavit of Residency*, each year with your employer.

If you are filing a joint return and only one spouse works in Minnesota under a reciprocity agreement, include both of your names, Social Security numbers, and dates of birth on your return.

If your gross income assignable to Minnesota from sources other than from personal service income covered under reciprocity is \$12,200 or more, you are subject to Minnesota tax on that income. File a Minnesota income tax return and Schedule M1NR. You may not take the reciprocity subtraction on Schedule M1M.

Aliens and Nonresident Aliens

If you are not a United States citizen, then you are considered an alien for tax purposes. You must determine your residency status for federal tax purposes before you can determine your Minnesota tax responsibilities. To determine your federal residency status, see Internal Revenue Service Publication 519, *U.S. Tax Guide for Aliens*.

If you are considered a resident alien for federal tax purposes, you have the same filing and tax requirements of a United States citizen. You will determine your Minnesota filing requirement following the requirements listed under **Minnesota Residents, Part-Year Residents, and Nonresidents**.

If you are considered a nonresident alien for federal tax purposes, you may be required to file a Minnesota income tax return depending on your Minnesota residency status and Minnesota gross income. If you are a full-year resident under the 183-day rule and required to file a federal income tax return, you must file a Minnesota income tax return. If you are a part-year resident or nonresident under the 183-day rule and you have gross income from Minnesota sources of at least \$5, you must file a Minnesota tax return and Schedule M1NR.

How does the department protect my information?

Protecting your information and identity is our priority. We have partnered with other states, the Internal Revenue Service (IRS), financial institutions, and tax preparation software developers to combat fraud.

For more information about keeping your identity safe, go to:

- www.revenue.state.mn.us and type **Protecting Your Identity** into the Search box
- www.irs.gov (IRS)
- www.ag.state.mn.us (Minnesota Attorney General's Office)

We will never ask you to provide, update, or verify personal information through unsolicited email or phone calls.

If you are concerned about a potentially fraudulent contact by someone claiming to be from the department, call 651-296-3781 or 1-800-652-9094 (toll-free). We can determine if the contact you received was legitimate.

Getting Started

Reminder: Review your return before signing. You are legally responsible for all information on your return, even if you paid someone to prepare it for you.

What do I need?

- Your name and address
- Your Social Security number
- Your completed federal return
- Your date of birth

If you do not provide this information, your refund will be delayed. If you owe tax, your payment may not be processed and you may have to pay a penalty for late payment.

If a paid preparer completed your return, include their Preparer Tax Identification Number (PTIN).

Although not required on the return, we also ask for:

- A code number indicating a political party for the State Elections Campaign Fund if you want to designate a contribution
- Your phone number in case we have questions about your return
- Your paid preparer's phone number

Name and Address Area

Use capital letters and black ink. Print your legal name, not a nickname. Enter only one address - your current home address **or** your post office box. If your current address is a foreign address, mark an X in the **Foreign Address** box.

If you are married and filing separate income tax returns, enter your spouse's name and Social Security number in the filing status area. Do not enter your spouse's name or Social Security number in the name and address area at the top of your return.

Federal Filing Status

Use the same filing status you used on your federal return to file your Minnesota return. Put an X in the box for your filing status. If you filed federal Form 1040-NR or 1040-NR-EZ and selected "Married nonresident alien" for your filing status, put an X in the box for "Married filing separately" on your Minnesota return.

State Elections Campaign Fund

If you want \$5 to go to help candidates for state office pay campaign expenses, enter the code number for the party of your choice. If you choose the general campaign fund, the \$5 will be distributed among candidates of all major parties listed. If you are filing a joint return, your spouse may also designate a party. Designating \$5 **will not** reduce your refund or increase tax you owe.

Important Tips

- Round the dollar amounts to the nearest dollar. For example: 129.49 becomes 129, and 129.50 becomes 130.
- Leave lines and unused boxes blank if they do not apply to you or if the amount is zero.
- If your federal taxable income on line D, or the amounts on lines 1, 3, or 13b are less than zero, put an X in the box provided next to the line. Do not use parentheses or a minus sign to indicate a negative amount.
- Do not write extra numbers, symbols, or notes on your return, such as cents, dashes, decimal points, or dollar signs. Do not put a slash through the "0" (Ø) or "7" (7) or any other numbers.
- Enclose any explanations on a separate sheet unless you are instructed to write them on your return.
- Do not staple or tape any enclosures to your return. If you want to ensure your papers stay together, use a paperclip.

Sign and Date your Return

An unsigned paper return is not considered valid. If you are married and filing a joint return, both spouses must sign. You may be subject to interest and penalties if you do not sign. If you paid someone to prepare your return, that person must also sign and provide their federal Preparer Tax Identification Number (PTIN).

Filing Instructions

When do I file and pay?

Your 2019 Minnesota income tax return should be electronically filed, postmarked, or dropped off by July 15, 2020. Your tax payment is due in full by July 15, 2020, even if you file your return later. If you file your tax return according to a fiscal year, your tax payment and return are due the 15th day of the fourth month after the end of your fiscal year.

How do I pay my tax if I file after July 15?

Estimate your total tax and pay the amount you owe electronically or by credit or debit card. If you pay by check, you must send your tax payment with a completed voucher from our website. You may avoid a late payment penalty and interest by paying your tax by July 15. To avoid a late filing penalty, file your return by October 15, 2020. See page 20 for payment options.

Do I have to file electronically?

No. If you do not want your preparer to file your return electronically, check the appropriate box at the bottom of the return.

Where do I file paper returns?

If you are filing a paper return, read page 8. If you do not follow the instructions on that page, your return and refund will be delayed. Send your Minnesota income tax return, including all completed Minnesota schedules, and your federal return and schedules in the printed envelope included in this booklet. If you do not have the printed envelope, mail your forms to:

Minnesota Department of Revenue
Mail Station 0010
600 N. Robert St.
St. Paul, MN 55145-0010

What do I include when I mail my return?

Include your Form M1, all the Minnesota schedules you are required to complete, and a complete copy of your 2019 federal return and all schedules. If you do not enclose the required documentation, we may send your return back to you.

Make copies of all your forms and schedules. Keep tax returns and schedules at least through 2024, and keep Forms W-2 indefinitely. You will be charged a fee to get copies of your forms from us. Also, if you claimed the Child and Dependent Care Credit, the K-12 Education Credit or Subtraction, or Minnesota itemized deductions, keep your original receipts and all other documentation to prove your qualifying expenses.

How do I avoid common errors?

- Enter your name and your dependents' names as they appear on Social Security cards.
- Double-check bank routing and account numbers used on tax forms.
- Complete each form and carry totals to the correct lines. If you electronically file, the calculations are done for you.
- File your return by July 15, 2020, even if you owe more than you can pay. Pay as much as you can by the due date, and continue to make payments until we contact you. At that point, we can help you set up a payment plan for the remaining balance.
- If you owe, make your payment electronically and pick when you want the payment submitted. For more information about making your payment electronically, visit our website.
- If you are paper filing with a new address, be sure to place an X in the New Address box in the header. If you move after filing, contact us right away. You should do this even when requesting a direct deposit.
- Do not staple or tape anything to your return. Use a paperclip.

How is my information used?

The information you provide on your tax return is private under state law. We use this information to determine your liability under Minnesota tax laws and for other tax administration purposes. We cannot give this information to others without your consent, except certain other government entities may have access to this information, if allowed by law. For details about how we use your information, including a list of the entities we may share it with, go to www.revenue.state.mn.us and type **Use of Information** into the Search box.

Refund or Amount Due

Line 28—Your Refund

If line 27 is more than line 23, subtract line 23 from line 27, then subtract the amount, if any, on line 31. This is your 2019 Minnesota income tax refund. If the result is zero, you must still file your return.

Of the amount on line 28, you can:

- Have the entire refund deposited directly into a checking or savings account (see the line 29 instructions).
- Receive the entire refund in the mail as a paper check (skip lines 29, 30, 32, and 33).
- Apply all or a portion of your refund toward your 2020 estimated taxes. The remaining balance, if any, may be directly deposited into your checking or savings account, or mailed to you.

We will deduct any amount you owe for Minnesota or federal debts, criminal fines, or a debt to a federal, state, or county agency, district court, qualifying hospital, or public library. If you participate in the Senior Citizens' Property Tax Deferral Program, we will apply your refund to your deferred property tax total. We will use your Social Security number to identify you as the correct debtor. If your debt is less than your refund, you'll receive the difference.

Generally, you must file your 2019 return no later than 3 1/2 years from the original due date or your right to receive the refund lapses.

Line 29—Direct Deposit of Refund

Direct deposit is the safest and easiest way to get your tax refund. If you want the refund on line 28 to be directly deposited into your checking or savings account, enter the requested information on line 29. You must use an account not associated with any foreign banks.

The **routing number** must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). Leave out any hyphens, spaces, or symbols.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check. You will receive your refund by paper check. We may also issue your refund by check if we adjusted your return or recaptured part of your refund to pay a debt you owe.

By completing line 29, you are authorizing us and your financial institution to initiate electronic credit entries, and, if necessary, debit entries and adjustments for any credits made in error.

Line 30—Amount You Owe

If line 23 is more than line 27, you owe Minnesota income tax for 2019. Read the instructions for line 31 to determine if you must file Schedule M15, *Underpayment of Estimated Income Tax*.

Subtract line 27 from line 23, and add the amount, if any, from line 31. Enter the result on line 30. This is the Minnesota income tax you must pay. Pay your tax using one of the methods described in *Payment Options* on page 20.

If you are filing your return after July 15, 2020, you may owe a late payment penalty, a late filing penalty, and interest (see page 21). If you file a paper return and you include penalty and interest with your check payment, enclose a separate statement showing how you calculated the penalty and interest. Do not include penalties and interest on line 30.

Line 31—Penalty for Underpayment of 2019 Estimated Tax (Schedule M15)

You may owe a penalty if:

- Line 21 is more than line 27 and the difference is \$500 or more.
- You did not make a required estimated tax payment on time. This is true even if you have a refund.

Complete Schedule M15 to determine if you owe a penalty. Enter the penalty, if any, on line 31 of Form M1. Also, subtract the penalty amount from line 28 or add it to line 30 of Form M1. Include Schedule M15 with your return.

To avoid this penalty next year, you may want to make larger 2020 estimated tax payments or ask your employer to increase your withholding.

Lines 32 and 33—2020 Estimated Tax

If you are paying 2020 estimated tax, you may apply all or part of your 2019 refund to your 2020 estimated tax.

On line 32, enter the portion of line 28 you want refunded to you. On line 33, enter the amount from line 28 you want applied to your 2020 estimated tax. The total of lines 32 and 33 must equal line 28.

After you get the bill, you can request a payment agreement by calling 651-556-3003 or 1-800-657-3909 or at www.revenue.state.mn.us.

There is a \$50 nonrefundable fee to set up a payment agreement.

To Find more payment agreement information, go to www.revenue.state.mn.us and type **payment agreements** into the Search box..

Should I make estimated payments?

Make estimated payments if any of the following apply:

- You expect to owe \$500 or more in Minnesota tax for 2020
- Minnesota tax was not withheld from your earnings
- Your income includes pensions, commissions, dividends or other sources not subject to withholding

Once you choose to apply all or part of your 2019 refund to your 2020 estimated tax, it cannot be changed.

To determine how much you owe, subtract your withholding and tax credits from the tax on your earnings.

For details on how to estimate and pay your tax, visit our website and type **estimated tax** into the Search box.

To make estimated payments electronically:

- Go to www.revenue.state.mn.us, and choose **Make a Payment** under **Individuals**
- Call 1-800-570-3329 to pay by phone

You can schedule all four payments at one time. Do not use a foreign bank account.

If you make estimated payments by check, send your payment with a payment voucher. Go to our website at www.revenue.state.mn.us and choose **Make a Payment** under **Individuals**. Then, choose **Check or Money Order** and use the **Payment Voucher System** to create a payment voucher.

Send your voucher and check to the address provided on the voucher. You may print multiple vouchers for estimated payments.

Penalty and Interest

Is there a penalty for filing late?

There is no late filing penalty if your return is filed within six months of the due date, which is October 15 for most individuals. **If your return is not filed within six months, we will charge a 5% late filing penalty on the unpaid tax.**

Most individuals must pay by July 15, even if you filed an extension for your federal return. If you cannot pay the full amount due, file your return and pay as much as you can by the due date to reduce penalties and interest.

Is there a penalty for paying late?

We will charge a 4% late payment penalty of the unpaid amount due if you do not pay what you owe by the due date.

We will charge an additional 5% penalty on the unpaid tax if you pay your tax 181 days or more after filing your return.

Use the worksheet below to determine penalties you owe if you file or pay late.

Are there other penalties?

We will charge a fraud penalty equal to 50% of a fraudulently claimed refund if you claim a refund you do not qualify for.

Civil and criminal penalties can be charged for:

- Failing to include all taxable income
- Making errors due to intentionally disregarding the income tax laws
- Filing a frivolous return
- Knowingly or willfully failing to file a Minnesota return
- Evading tax
- Filing a false or fraudulent return

How is interest on late payments calculated?

Use the worksheet below to calculate interest you owe. We will charge interest on any unpaid tax and penalty after July 15, 2020. The interest rate is determined each year. The interest rate for 2020 is 5%.

Worksheet to Determine Penalty and Interest

- 1 Tax not paid by July 15, 2020 _____
- 2 Late payment penalty* — multiply step 1 by 4% (.04) _____
- 3 Late filing penalty. If you are filing your return after October 15, 2020, multiply step 1 by 5% (.05) _____
- 4 Extended delinquency. If your tax is not paid within 180 days after filing your return, multiply step 1 by 5% (.05) _____
- 5 Add steps 1 through 4 _____
- 6 Number of days the tax is late ** _____
- 7 Enter the applicable interest rate. For 2020, the rate is 5% (.05) _____
- 8 Multiply step 6 by step 7 _____
- 9 Divide step 8 by 365 (carry to five decimal places) _____
- 10 Interest — multiply step 5 by step 9 _____
- 11 Total payment amount. Add step 5 and step 10 _____

*If you are filing your return after July 15, 2020, and paid at least 90% of your total tax by the due date, you will not be charged the late payment penalty if you file your return and pay any remaining tax by October 15, 2020.

**If the days fall in more than one calendar year, determine steps 6 through 10 separately for each year.

Military Personnel

Did you serve in a Combat Zone at any time during 2019?

You are eligible for a credit of \$120 for each month you served in a combat zone or hazardous duty area if Minnesota is your state of legal residence (domicile). You can claim this credit for months served in years 2017, 2018, and 2019. Complete Form M99, *Credit for Military Service in a Combat Zone*, and mail it to the department with the required information listed on Form M99.

To download Form M99, go to www.revenue.state.mn.us.

Am I a Minnesota resident?

If you are a resident when you enlist, you remain a Minnesota resident until you establish domicile somewhere else. Do not complete Schedule M1NR, *Nonresidents and Part-year Residents*, unless you (or your spouse) are a part-year resident of Minnesota or are a nonresident.

Military personnel who are part-year residents or nonresidents: When determining if you are required to file a Minnesota return using the steps on page 6, do not include:

- Active duty military pay for service outside Minnesota in step 1
- Active duty military pay for service in Minnesota in step 2

Resident military spouses: If you are the spouse of an active duty military member who is stationed outside of Minnesota, all income you earned in another state is assignable to Minnesota.

Nonresident military spouses: You may be exempt from Minnesota tax on personal service income from services performed in Minnesota if you meet all of the following requirements:

- Your spouse was present in Minnesota in compliance with military orders
- Your spouse was domiciled in a state other than Minnesota
- You were in Minnesota solely to be with your spouse
- You and your spouse had the same state of residence

Subtractions

Minnesota residents who are in the military can take a subtraction for military pay if included in adjusted gross income, including Active Guard Reserve (AGR) Program pay earned under Title 32. Use Schedule M1M, *Income Additions and Subtractions*, to claim these subtractions.

Civilian employees of the military or state military employees cannot take this subtraction regardless of where they earned this income.

If another state taxed your nonmilitary income while you were a Minnesota resident, you may qualify for a credit for taxes paid to another state (see Schedule M1CR, *Credit for Income Tax Paid to Another State*, or Schedule M1RCR, *Credit for Taxes Paid to Wisconsin*).

Military Pensions

You may subtract from taxable income certain types of military pensions or other military retirement pay. To claim this subtraction, the qualifying income must be included in federal adjusted gross income. Report this subtraction on line 32 of Schedule M1M. If you claim this subtraction, you cannot claim the Credit for Past Military Service.

Extensions

If you are active duty military in a presidentially designated combat zone or contingency operation, you may file and pay your Minnesota income taxes up to 180 days after the last day you are in the combat zone or the last day of any continuous hospitalization for injuries sustained while serving in the combat zone. When you file your Minnesota income tax return, enclose a separate sheet stating that you were serving in a combat zone.

If you are stationed outside the United States but not involved in combat zone operations, you have until October 15 to file your return. You must still pay any tax you owe by July 15.

For additional military information, go to www.revenue.state.mn.us or see Income Tax Fact Sheet 5, *Military Personnel - Residency* and Fact Sheet 5a, *Military Personnel - Subtractions, Credits, and Extensions*.

Filing on Behalf of a Deceased Person

If a person died before filing a 2019 tax return and had income that meets the minimum filing requirement for 2019, the spouse or personal representative must file a Minnesota income tax return for the deceased person. The return must have the same filing status used to file the decedent's federal return. To file a Minnesota income tax return for a deceased person, enter the decedent's name and your name on the return and print "DECD" and the date of death after the decedent's last name.

For more information, see Income Tax Fact Sheet 9, *Filing on Behalf of a Deceased Taxpayer*.

Claiming a Refund on Behalf of a Deceased Person

If you are the decedent's spouse and you are using the joint filing method, we will send you the refund.

If you are the personal representative, you must include a copy of the court document appointing you as personal representative with the decedent's return. You will receive the decedent's refund on behalf of the estate.

If no personal representative has been appointed for the decedent and there is no spouse, complete Form M23, *Claim for a Refund for a Deceased Taxpayer*, and include it with the decedent's Minnesota income tax return.

Amending your Return/Reporting Federal Changes

Generally, you have 3 ½ years from the return due date to amend an original return to claim a refund. Use Minnesota Form M1X, *Amended Minnesota Income Tax*.

You have 180 days from receiving notification of the change to amend your Minnesota return if:

- The Internal Revenue Service (IRS) changes your federal return
- You amend your federal return and it affects your Minnesota return

If the IRS changes your return and the changes **do not** affect your Minnesota return, you have 180 days to send us a letter of explanation. We will charge a 10% penalty on any additional tax and have six additional years to audit your return if you fail to report federal changes within 180 days.

Send your letter and a complete copy of your federal amended return or the IRS correction notice to:

HELP MINNESOTA GET ITS FAIR SHARE!

Did you know? Nearly \$15.5 billion comes from the federal government every year to provide services to Minnesotans like education, healthcare, transportation, and housing.

This funding is decided by the number of people who complete the census every ten years.

Commit to be counted! Fill out the census form online or on paper in 2020.
