2020 Schedule M1M Instructions

You may have received these additions or subtractions as an individual, as a partner of a partnership, as a shareholder of an S corporation, or as a beneficiary of a trust. Amounts you received as a partner, shareholder, or beneficiary will be reported on the Schedule KPI, KS, or KF you received from the entity.

Additions

Line 1 — Interest From Municipal Bonds of Another State or its Governmental Units

Of the amount you included (or should have included) on line 2a of federal Form 1040, add the interest you received from municipal bonds issued by:

- A state other than Minnesota
- A local government (such as a county or city) in a state other than Minnesota

Line 2 — Federally Tax-Exempt Dividends from Mutual Funds Investing in Bonds of Another State

If you received federally tax-exempt interest dividends from a mutual fund, you may have to enter an amount on line 2. To determine the amount, if any, use the following instructions:

- If **95% or more** of the federally tax-exempt dividends from a mutual fund came from bonds issued by Minnesota, include *only* the portion of the federally tax-exempt dividend generated by non-Minnesota bonds.
- If **less than 95%** of the federally tax-exempt interest dividends from a mutual fund came from bonds issued by Minnesota, include *all* of the federally tax-exempt interest dividend from that fund.

Line 3 — Federal Bonus Depreciation Addition

If you chose the special depreciation allowance for qualified property on federal Form 1040, complete the Worksheet for Line 3.

Worksheet for Line 3 — Bonus Depreciation Modification

1	Add line 14 and line 25 of your federal Form 4562	_____
2	Total bonus depreciation amounts passed to you as a partner or shareholder (line 5 of Schedule KPI or Schedule KS)	_____
3	Add steps 1 and 2	_____
4	Multiply step 3 by 80% (.80)	_____
5	Total of the 80% federal bonus depreciation addition passed through to you as a beneficiary (from line 5 of Schedule KF)	_____
6	Add steps 4 and 5. Enter the result here and on line 3 of Schedule M1M	_____

Instructions

If bonus depreciation included on step 1 or step 2 generated a loss in an activity that cannot be deducted in 2020 (e.g., a passive activity loss or a loss in excess of basis), you may reduce step 1 or 2 by the amount of loss not allowed from the activity for 2020, up to the bonus depreciation claimed by the activity. In a future year when the 2020 suspended loss is allowed, you must include the bonus depreciation as an addition. The bonus depreciation is treated as the last suspended loss allowed.

Line 5 — State Income Taxes Passed Through to You as a Partner of a Partnership, a Shareholder of an S Corporation, or a Beneficiary of a Trust

Enter the total of the amounts reported on line 2 of Schedules KS, KPI, and KF.

Line 6 — Expenses Relating to Income Not Taxed by Minnesota, Other Than From U.S. Bond Obligations

If you deducted expenses on your federal return connected with income not taxed by Minnesota (such as income reported on lines 24 through 29 of Schedule M1M), add those expenses to your taxable income.

Do not include expenses connected with interest or mutual fund dividends from U.S. bonds. For information on how to report these expenses, see the instructions for line 18.

Line 7 — Foreign-Derived Intangible Income Deduction under section 250 of the Internal Revenue Code

Include the amount of foreign-derived intangible income you deducted from net income under section 250 of the Internal Revenue Code for the taxable year.

- You did not add back 80 percent of the bonus depreciation in those years.

Worksheet for Line 8

If you received a qualifying lump-sum distribution in 2020 and you chose the capital gain election on federal Form 4972, enter the capital gain from line 6 of federal Form 4972. Include a copy of federal Form 4972 when you file your return.

Line 10 — Net Operating Loss (NOL) Carryover Adjustment

Minnesota did not adopt the provisions of the Worker, Homeownership, and Business Assistance Act of 2009 (WHBA). Under this Act, you may carry back 3, 4, or 5 years of an NOL generated in 2008 or 2009. For federal purposes, any remaining NOL that was not fully absorbed in the carryback years can be carried forward for up to 20 years, beginning in 2010. If you used any of that carryforward on your 2020 federal return, add back that amount as a positive number on line 10.

Line 11 — First-Time Home Buyer Savings Account Addition

If you made a nonqualified withdrawal from a First-time Home Buyer Savings Account, you may be required to include those amounts in your taxable income. Complete and include Schedule M1HOME, *First-Time Homebuyer Savings Account*, to determine your addition.

Line 12 — Accelerated Recognition of Nonresident Installment Sales

If you are required to report accelerated gains from an installment sale in 2020, complete and enclose Schedule M1AR, *Accelerated Recognition of Installment Sale Gains*.

Line 13 — Higher Education Savings Accounts Used for K-12 Tuition

If you paid K-12 tuition with a distribution from a higher education savings account, include the lesser of the total distributions from the account used to pay K-12 tuition or the total earnings reported on federal Form 1099-Q for the year.

Subtractions

Line 18 — Net Interest From U.S. Bonds

Include federally taxable interest you received from:

- U.S. bonds, bills, notes, savings bonds, and certificates of indebtedness
- Sallie Mae bonds
- Dividends paid to you by mutual funds that are attributable to these bonds
- U.S. Government interest and dividends you received as partner of a partnership, shareholder of an S corporation, or beneficiary of a trust

Reduce these amounts by any related investment interest and other expenses deducted on your federal return relating to this income. Do not include interest or dividends attributable to Ginnie Mae, Fannie Mae, or Freddie Mac bonds. See Income Tax Fact Sheet 13, *U.S. Government Interest*, if you received interest from a government source not listed.

Line 19 — K-12 Education Expense Subtraction

If you purchased qualifying educational materials or services in 2020 for your qualifying child’s K–12 education, you may be able to reduce your taxable income.

If you qualify for the K-12 Education Credit, complete Schedule M1ED before entering an amount on this line (see instructions for line 3 of Schedule M1REF, *Refundable Credits*). For this subtraction, you may use qualifying expenses you did not use for the credit and tuition expenses which do not qualify for the credit. You may not claim both the credit and a subtraction for the same expenses. Complete the Worksheet for Line 19 if you entered an amount on line 18 of Schedule M1ED.

To subtract your education expenses, the child must:

- Be your child, adopted child, stepchild, grandchild, or foster child who lived with you in the United States for more than half of the year.
- Have been in grades K–12 during 2020.
- Have attended a public, private, or home school in Minnesota, Iowa, North Dakota, South Dakota, or Wisconsin.
- Not be claimed as a qualifying child on another individual’s return.

In addition to the above requirements, you must have purchased educational services or required materials during the year to help your child’s K–12 education. Education expenses that qualify for the credit also qualify for the subtraction. However, certain expenses qualify only for the subtraction. For examples of qualifying education expenses, see the Form M1 instructions.

Subtraction Limits

The maximum subtraction allowed for purchases of personal computer hardware and educational software is \$200 per family. You may split qualifying computer expenses, up to \$200, among your children any way you choose. The maximum amount of education expenses you can subtract is \$1,625 for each child in grades K through 6, and \$2,500 for each child in grades 7 through 12.

If you qualify for the K–12 Education Credit (Schedule M1REF, line 3) and you cannot use all of your education expenses on Schedule M1ED, complete the Worksheet for Line 19. See Income Tax Fact Sheet 8, *K–12 Education Subtraction and Credit*, for more information. Enter your qualifying education expenses on line 19. Also, enter each child’s name and grade at the time the expenses were paid.
