*The following item numbers from the Mini Abstract are calculated using EMVs from the Equalization table: 55-73, 95-

A Homestead for Persons who are Blind or have a Disability property (A21, A22, B20, D20) should receive a classification rate of .45% for up to the first tier of \$50,000. For all remaining value in excess of this tier, the property should be classified as Agricultural Homestead (A11, A12, B10) or Residential Homestead (D10) and adhere to those rate and tier structures.
