EXPLANATION OF THE BILL

Under current law, special rules apply for a redevelopment tax increment financing (TIF) district in the city of Ramsey relating to the Northstar Transit Station.

The proposal would add another special rule for the TIF district: it would extend the time in which the city is allowed to adopt interfund loan resolutions. Under current law, an interfund loan or advance must be authorized by resolution no later than 60 days after money is transferred, advanced, or spent, whichever is earlier. The proposal would extend that deadline to December 31, 2024.

REVENUE ANALYSIS DETAIL

- The proposed changes to this special TIF provision may have an impact on the local tax base and tax rate in the future and may result in a small change in property tax refunds paid by the state.
