EXPLANATION OF THE BILL

Under current law, special rules apply to the Ford Site Redevelopment Tax Increment Financing (TIF) District in the City of St. Paul, including being allowed to waive increments for up to four years and setting a different certification date if increments are waived.

The proposal would add another special rule for the Ford Site Redevelopment TIF District: it would extend the five-year rule for development activity to commence to ten years.

REVENUE ANALYSIS DETAIL

- The proposed changes to this special TIF provision may have an impact on the local tax base and tax rate in the future and may result in a small change in property tax refunds paid by the state.
